

Pittsburg State University

OFFICE OF THE PROVOST

April 2010

Welcome to Pittsburg State University! On behalf of the faculty and staff of the Academic Affairs Division, I am pleased to introduce you to the many curricular and co-curricular programs at Pittsburg State University. As you navigate through our web site, I hope you find information that is helpful in learning about the many undergraduate and graduate opportunities available at Pittsburg State. You will find the faculty at Pittsburg State University highly qualified and well prepared in their fields of study with many of them recognized for statewide, regional, national and international contributions and accomplishments.

Pittsburg State University is a student-focused institution where it is our goal to assist you in realizing your goals and dreams. On our web site you will read about recent and not-so-recent graduates who testify to the quality of their experience at Pittsburg State University and the knowledge and skills gained and applied to their current careers. In addition, you will read about our current students, their achievements and successes.

While most of our programs reside on our campus located in Southeast Kansas, we also offer selected online courses and programs as well as programs offered through our Metro Center in the Kansas City area. I hope that you will contact us and plan a visit to campus soon.

If there is any way in which my office can assist you, please contact us. Better yet, stop by while you are on campus so that we can meet you and help you learn more about Pittsburg State University!

A handwritten signature in cursive script, reading "Lynette J. Olson".

Lynette J. Olson, Ph.D.
Provost and Vice President for Academic Affairs
