TO: Review of Program Review Task Force

Dear Task Force Members:

I am in receipt of the [final report and recommendations](#) from the Review of Program Review Task Force. After careful examination I find the recommendations appropriate and with this letter am directing the Office of Analysis, Planning and Assessment to implement the recommended program review process, beginning FY2012.

I am further asking that the Task Force present its recommendations to the Faculty Senate and that Dr. Wilkinson meet with the college deans and department chairs to review the new process.

I want to personally thank the members of the task force for their conscientious work and truly believe that the recommendations will serve to improve all degree programs at Pittsburg State University.

Sincerely,
