An important component of the Transfer Scholar Leadership Program is the essay. This is the chance for the committee to become familiar with you and your abilities in more depth than with GPA alone. Below is the prompt to write an essay consisting of no more than 500 words. Limit to space available or attach as a separate document.

Essay Prompt

From the Leadership and service activities you have participated in while at the community college(s), what was the most meaningful for you and why?

I verify that the ideas presented in this essay are entirely my own and that the list of activities, awards and service activities is accurate to the best of my knowledge. If selected, I agree to complete at least 15 hours of University service per semester through the Transfer Scholar Leadership Program. I understand that enrollment in Transitions during my first semester at PSU is required.
