Total hours in Major (53-55)	

A grade below "C" represents work of insufficient quality, not adequate to pursue subsequent courses. For this reason, a student making a "D" or "F" in a required course will not be permitted to continue in the FCS Interior Design Option. If it can be demonstrated that the "D" or "F" grade is the result of a temporary problem which has been corrected, the student may be readmitted with the approval of faculty.
