

Application for Student Teaching Early Childhood Preschool Lab

Instructions for Completing the Application:

Deadlines: **Applications must be submitted a year in advance** of the semester you plan to student teach. The deadlines are: Fall, **OCTOBER 1st**; Spring, **MARCH 1st**. (exceptions will be made for the first two semesters as the new process becomes established.)

EMAILED, FAXED, OR HANDWRITTEN APPLICATIONS WILL NOT BE PROCESSED.

Submit all application materials in the following order:

- Student Information Form
- Personal statement of professional goals (limit to one page)
- Resume (Please try to limit to two pages. Be sure to include all experiences relevant to teaching.)
- TB Test Results (TB test results are good for one year. The test results must stay current throughout your student teaching experience. **Plan your TB test accordingly and send in your results when received.**)

Prerequisites:

- All major coursework must be completed prior to Student Teaching.
- Passing score on the PPST if you are in the Early Childhood Unified program.
- Passing score on Content Area Test may be taken prior to student teaching. Do not wait to sign up for student teaching until after your testing is complete or you may not get the semester you need due to limited slots.
- Advising meeting to assure course preparedness for student teaching.
