

September 23, 2016

Dear Family & Consumer Sciences Teacher:

It is that time of the year to begin plans to attend the Pittsburg State University – Family & Consumer Sciences Career Day! This year's theme is:

## **Family & Consumer Sciences: #Connected**

Attached is the registration materials for this event. The event will be held in Overman Student Center. All of the sessions will be held in this facility. Students will also get to eat in Gibson Dining Hall and tour the Family & Consumer Sciences Building.

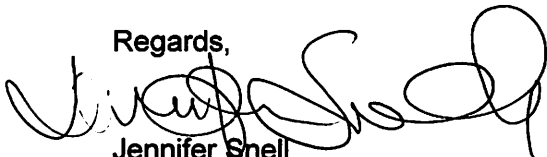

If you are unable to attend this year, we hope that you would share this information with other FCS teachers who may not be on our mailing list. An individual registration form is enclosed for a student to attend Career Day with a parent if your class is not able to attend.

There are a variety of opportunities for students to learn more about our department:

- Students can schedule a campus visit to meet with faculty by contacting the Admissions office at 620-235-4251 or [psuadmit@pittstate.edu](mailto:psuadmit@pittstate.edu) or by going to <http://www.pittstate.edu/admission/>
- Senior students may visit during Rumble in the Jungle Days on October 1 or November 5. Reservations may be made by contacting Admissions as listed above.
- High school juniors are invited to participate in our Junior Jungle Day held on February 4 by making reservations through Admissions.
- If your school is relatively close to Pittsburg, consider inviting our FCS Student Ambassadors to give a presentation to your class.

We look forward to seeing you and your students on November 10th or during a future campus visit.

Regards,

Jennifer Snell  
FCS Teacher Educator
