In attendance: Harriet Bachner, Megan Corrigan, Leo Hudson, Kristen Humphrey, Ananda Jayawardhana, Pat Lindley, Randy Winzer

**Treasurer’s Report:**
Tilford Group has a balance of $1225.

**Tilford Conference report:**
Dr. Winzer presented twice at the Tilford conference and plans to offer his presentation to PSU faculty in the spring. The material from the Tilford conference will be placed on the Tilford webpage to be made available to all.
PSU will host the conference in 2015 and Dr. Jayawardhana is working with Deatrea Rose to make all arrangements.

**Programs:**
Dr. Kristin Humphrey will bring Stephanie Mott, the Executive Director of the Kansas Statewide Transgender Education Project, to make a presentation during Transgender Awareness Week. Stephanie will make her presentation on Friday November 15th at 1:00.

The Diversity Office will bring Gary Lightfoot Davis to present during Native American Heritage Month, and the Tilford Group is co-sponsoring that event.

Dr. Harriet Bachner and Dr. Grant Moss conducted BaFa BaFa, a cross cultural communication awareness simulation on November 7th.

**Other business:**
Dr. Patricia Lindley is seeking a place to present and get feedback and reflection on the diversity results from the NSSE. Currently she received these results but has no improvement loop in place. Members of the committee suggested that the University Diversity Council might be another possible venue. Dr. Lindley will try to prepare data before the December 5th meeting and present it there. Her goal is to have the committee look at the data and talk about the results, and she will document the discussion to be used when considering what could be improved.

Other topics of possible presentations were discussed: human trafficking and restorative justice were two that were considered.

Meeting adjourned at 3:00.

Next Meeting December 5th, 2pm in the Inaugural Room.

Respectfully submitted, Megan Corrigan
