RAFFLES AND DRAWINGS

Any student organization that wishes to hold a raffle or drawing as a charitable fundraising activity must follow one to the following criteria listed below to make sure that your organization is in compliance with the State of Kansas legal statute on illegal lotteries.

1. Any collection of funds must be clearly labeled and referred to as a voluntary donation such that potential participants may fully participate in the event whether or not they choose to pay a suggested minimum donation. All written advertisement of the event must contain language such as “No Purchase Necessary to Participate, \$ (dollar amount) Donation Suggested or Encouraged”. Individuals recruiting participants for the lottery must clearly indicate in verbal exchanges that there is “no purchase necessary to participate, but that \$ (dollar amount) donations are suggested, encouraged or appreciated”.
2. Eliminate the “game of chance” aspect by making it a game of skill (i.e., awarding a prize for winning a contest). The organization may charge an established “entry fee” but award prizes based on performing a task better than other participants according to established criteria or rules or by the decision of a panel of judges.

If you have any questions regarding this policy and its implications for your organization please feel free to contact the Campus Activities Center at 235-4795.

2. You must check your mailbox weekly. Besides mail, there may also be program flyers. (Stuffing the mailboxes will be an easy way to advertise an event, with permission).
3. Decide who should pick up and check the mail.
4. If mail is not picked up on a regular basis; the president of the organization and/or advisor will be notified. If the situation continues, mailbox privileges may be revoked.
