

Pittsburg State University

Office of University Communications • Room 213 Russ Hall • Ext. 4122

The Office of University Communications maintains files on all faculty members for use in university publicity. Information you supply is done so voluntarily and is supplied to media for their coverage of honors and awards, public service, and other newsworthy events. Please do not include information that you do not consider public.

_____	_____	_____
_____	_____	_____

- Details of your teaching and administrative career, including dates, positions held, cities and institutions.

Faculty information form, Pg. 2

- Details of other employment and military service.

- Titles of books, compositions or other significant works of which you are the author, co-author or creator, including publishers and dates.

- Professional organizations of which you are a member.

- Honors and Awards.

Frequently, representatives of the news media contact our office in search of “experts” on a wide variety of issues. With the understanding that faculty always have the right to decline such requests on a case-by-case basis, are you willing to be a media resource person?

_____ Yes _____ No

- What are your areas of interest and study (This may include hobbies and outside interests as well as academic study pertaining to your department.)
