

## Campus Engagement Script

### Tobacco-Free Policy

December 5, 2014

We realize it can sometimes be uncomfortable to begin a conversation about our new tobacco-free policy. Especially when you see someone smoking or using tobacco on campus. This script has been developed to help you begin a conversation in a pleasant manner.

Remember, it's important to "Do the Gorilla Thing" and always remain considerate and respectful when informing visitors that our campus is now tobacco-free.

Hi, I'm (insert name) and I (work in the \_\_\_\_\_ department here at) (am a student here at) (am an alum of) Pitt State. You probably aren't aware, because it just happened, but our campus went tobacco-free as of January 1 of this year.

*(If receive positive response and visitor voluntarily offers to immediately stop using tobacco)*

Thank you. If you'd like to learn more about the policy feel free to visit [pittstate.edu/tobaccofree](http://pittstate.edu/tobaccofree) or (the website listed on the back of this card). Have a great day.

*(If receive a negative response)*

Please, go ahead and finish your cigarette (e-cigarette, etc.). It's a new policy and we know it's going to take time for everyone to adjust. If you'd like to learn more about the policy please visit [pittstate.edu/tobaccofree](http://pittstate.edu/tobaccofree) or (the website listed on the back of this card) We appreciate your consideration for our campus. Thank you.
