Reasons for ineligibility:

- You will not be eligible for a loan if:
  - You have already borrowed the annual maximum loan limits available for the academic year.
  - You have already met the aggregate maximum loan limits available for your degree program.
- You must be meeting satisfactory academic progress standards to be eligible for summer assistance. If credit hours are necessary to meet deficiencies from the Fall/Spring term, you may contact the Office of Student Financial Assistance to inquire about the appeal process.

IMPORTANT:

- Financial Assistance applies only to classes that meet between 5/9/16 through 7/29/16. If you are only enrolled for part of the term, your financial aid will be prorated based upon your enrollment.
- Financial aid will disburse on 6/6/16 for enrollments in May only, May and June, June only and June and July. If you are enrolled for the May intersession, you will need to come by Financial Assistance to request a deferment in order to have the intersession fees paid out of your financial assistance for summer. **If you are attending May and July, or the July session only, your financial aid will not disburse until 7/5/16.** If your financial aid is enough to pay your balance you may file for a deferment of fees due in June for the July session.
- Consortium Agreements will not be accepted for the summer 2016 term.
- You need to make sure you do not have any University holds on your account. This will prevent any financial assistance from being disbursed to you.
- **Since your financial assistance will be based on your 2016 summer enrollment, you must notify the Office of Student Financial assistance of any changes to your summer schedule.** If you fail to complete the credit hours and summer session you are awarded for, you may be required to repay all or a portion of the aid received.
- Student receiving federal aid during the summer are required to meet the standards set in the Satisfactory Academic Progress Policy. Please review the policy on our website or contact our office for more information.
- You must **VERIFY YOUR ENROLLMENT ON-LINE** on GUS before any financial assistance can be disbursed. Online verification for summer will begin **May 17, 2016**.
- If your classes will be part of a Study Abroad Program, please specify this on your application. You will also need to contact the Study Abroad Coordinator at 620-235-4221 or in 118 Whitesitt Hall.
