Minor in Fraud Examination

This minor is in conjunction with the Justice Studies program. The curriculum for the minor in Fraud Examination is patterned after the requirements found in the nationally recognized Certificate in Fraud Examination, providing coverage of the Certificate areas of: *Criminology and Ethics; Legal Elements of Fraud; Financial Transactions; and Fraud Investigation*. The demand for persons in this field is expected to increase and the minor represents a significant opportunity for students who are interested in fraud and other instances of white collar crime.

NOTE: Currently, the Internal Revenue Service allows persons who have had a total of 15 hours of accounting and nine hours of other business related classes to apply for "Special Agent" positions. Justice Studies classes add to the qualifications of persons who are interested in such a career.
