Wait. Pittsburg, KANSAS? Yup. We're a rare standout among college towns. The connection to Pitt State runs deep, and **this community shows up for Pitt State students** — once you experience it, you will forever consider Pittsburg your home.

We'll say that again:
MAKE LIFE BETTER

Pitt State is an accessible way to bring the value of a college degree into your life, and **have the time of your life** while you're at it.

It's **worth it.**

In more ways than one. At Pitt State, you're making an investment in your future. You're thinking about college for a reason, and that's to chart a course to the life you want. Whatever it is, it'll be worth it. College graduates earn over $1 million more in a lifetime, have better health outcomes, live more comfortably in retirement, and are more involved in their communities.

You can **afford it.**

And we'll help. There are few places in Kansas and our region that provide a better value than Pitt State. We've taken every step to ensure anyone can afford a college education, and get the most out of their time. We'll automatically award an Associate of Arts degree as you earn it! We also have flat-rate tuition to help accelerate your path to graduation, robust scholarships, and many support services to help every student.

You'll **love it.**

And it'll love you. And guess what? College is supposed to be FUN! At Pitt State you'll have endless opportunities to get involved, participate in a vibrant campus life, and build relationships that will last a lifetime. And as much as you put in, you get out — we LOVE our students. Our entire campus is here to help you succeed and enjoy the experience.

OUR COMMITMENT **TO YOU**

At Pitt State, we won't compromise on the things that **help you succeed.**

EXCELLENCE

Everyone at Pitt State is committed to your academic experience, your success as a student, and your growth and happiness as a human. **We're here to help, encourage, and see you through.**

PREPARATION

At Pitt State, you can be anything you want to be and find your own unique way to make it happen. One thing is for sure - **you'll leave ready to tackle what's ahead.**

CONNECTION

At Pitt State, **you'll become part of something bigger than yourself** - a close-knit community that encourages big dreams and redefines what's possible. And that community is with you for life.
