

Arts & Sciences Curriculum Committee Meeting
February 4, 2019, 3:00PM

Present: J. Arruda, B. Bonnekennen, K. Cronister, G. Coomes, T. Dobrowolski, M. Krepps, J. Neef, J. Oliver, M. Pomatto, E. Ramage

Dr. Mary Carol Pomatto, committee chair, called the meeting to order at 3:00PM.

Dr. Barbara Bonnekennen introduced legislation for the Geography Program, HPSS Dept, to change the name of GEOG 305 Cartography to GEOG Computer Mapping to better reflect course content and aid in recognition of content by students. Motion and second to approve (Coomes, Oliver). Discussion. Motion passed unanimously.

Ms. Gena Coomes presented legislation for the School of Nursing. School proposes revision to NURS 670 Family Health Care Nursing to allow the course, which is the capstone course, to be taken concurrently. Current catalog lists all courses in the RN-BSN plan of study as pre-requisites. Motion and second (Arruda, Bonnekennen) to approve. During discussion a friendly amendment was proposed to reword proposed statement of prerequisites to list the five courses eligible for concurrent enrollment with 670. Motion and second to accept the friendly amendment (Arruda, Krepps) and motion carried. Motion to approve also passed unanimously.

School also proposes revision to NURS 920 DNP Scholarly Project to remove NURS 892 Health Care Research as a required prerequisite. Motion and second to approve (Arruda, Krepps). Discussion. Motion passed unanimously.

Dr. Pomatto adjourned the meeting at 3:15PM.
