|                         |                      |                  |                 |             | 0      |       |

Total scores were figured by taking the rank of the top placer from each school as the score for that event.

If the school didn't participate, they were given a score that was the bottom rank plus ten for that event.

The scores were then totaled with the lowest score winning the competition overall.

## Earth & Space Science Results 2015

No students in the event
