An Accredited and Ranked College of Business

The Kelce College of Business is accredited by the Association to Advance Collegiate Schools of Business International. Accreditation represents “the highest standard of achievement for business schools, worldwide. Institutions that earn accreditation confirm their commitment to quality and continuous improvement through a rigorous and comprehensive peer review.” Less than 5% of the business colleges in the world achieve AACSB accreditation.

In recognition of its high-quality programs, the Kelce College of Business has received numerous rankings in recent years. The college is currently listed in the “Best Business Schools,” a guidebook published annually by *The Princeton Review*. Inclusion on this list is based on a global survey of more than 19,000 MBA students in programs throughout the world. The Kelce MBA was recently recognized at the **#2 Best Online MBA** program in the nation and #18 most affordable by *College Consensus*. In 2019, *The Knowledge Review* placed the Kelce College in its Best Business Programs in America and in 2020, the *Wichita Business Journal* ranked our MBA the **#1 MBA Program in Kansas** based on the enrollment growth in our online Professional MBA. These rankings reflect Pittsburg State University’s commitment to providing high quality educational opportunities that are financially accessible for students from our community, region, and across the country.

Gorilla Rising

Artists' preliminary concept for the proposed space, renderings may change in design phase

This spring, Pittsburg State University received a \$12.5 million matching grant from the State of Kansas Department of Commerce to support a new educational district in downtown Pittsburg, Gorilla Rising. The centerpiece of this estimated \$50 million-dollar project will be a new home for the Kelce College of Business and feature additional student housing in a renovated Besse Hotel. Gorilla Rising will expand and enhance the university's commitment to our community's economic development begun by Block 22 and offer the Kelce College significant opportunities to enhance and expand our academic programs. All commitments regarding private funds donated for the previously planned on-campus renovation and expansion of our existing facilities will be honored in the new downtown complex. For those interested in participating in the project, additional naming opportunities will be available when architectural designs are finalized. Please contact Becky McDaniel, Executive Director of University Development: remcdaniel@pittstate.edu for more information.
