

Are you pursuing a career in construction?

APPLY TO WIN A \$3,000 SCHOLARSHIP!

The Builders' Association Scholarship Foundation awards 28 scholarships annually to full-time college students in the Midwest who are pursuing degrees in construction.

If you are studying architecture, engineering or construction and plan to work in the construction industry, apply today to be considered for one of the \$3,000 scholarships that will be awarded in 2022.

Details:

- Apply by Nov. 1
