You can also go to the [PSU home page](http://www.pittstate.edu) <<http://www.pittstate.edu>> and under "Students", then "Quick Links" then "Apply for Scholarships"

**The deadline is Feb 1, of each year, to receive for the next Fall semester.** Once signed up, the system will list your name under the scholarships in which you meet the requirements. After Feb 1, department representatives meet and select recipients for the 16 department scholarships. Scholarship recipients are notified by email.

Some industry organizations offer scholarships outside of the university, and these are posted on our bulletin board outside our office, E116. Here is the direct contact info:
