

Clyde U. Phillips Scholarship

Clyde U. Phillips

Clyde U. Phillips was a dedicated educational leader whose distinguished career was an inspiration to young people entering the teaching profession. Mr. Phillips met his wife, Fern Field Phillips, when they were both students attending Pittsburg State. As an alumnus of Pittsburg State University, he encouraged this University to identify and give public recognition to those of unusual promise and to others who, like himself, demonstrated their devotion to Kansas education through a career of professional achievement. He completed his career in education as the superintendent of schools in Hays and in their will the Phillips bequeathed a sum of money to support this scholarship.
