

RSSHM Meeting 10/15/2020
Pittsburg State University
Health, Human Performance and Recreation

Present:

Dr. Sarah Ball Dr. Rick Hardy

Dr. Janice Jewett

Dr. Laura Covert Miller

Master of Science in Health, Human Performance and Recreation

The Master of Science degree program is designed to prepare students for careers in the fields of physical education, exercise science, the recreation industry, and sport. Candidates complete the required core of 15 hours and one of three curricular emphases offered within the degree totaling a minimum of 32 hours:

Core Requirements STAYS AS IS?

Hours

Core Courses

HHPR 801 Methods of Assessment in Health, Human Performance and Recreation – Keep in the core for hosp. emphasis??

HHPR 806 Special Investigations 3

HHPR 810 Foundations of Human Performance and Wellness 3

Or...

HHPR 820 Foundations of Recreation and Leisure 3

HHPR 878 Social-Psychology of Sport & Recreation – Keep a Core Class for hosp. mgmt
3

HHPR 891 Methods of Research 3

Total **15**

HHPR 890 Research and Thesis (3-5
 hours)

In addition to core requirements, students must complete one area of emphasis.

THIS IS NEW and replaces the General emphasis

Physical Education and Coaching Emphasis

Hours

The Physical Education emphasis is a program of study that fits the professional teacher education needs of each student. The emphasis consists of 17 hours of courses in HHPR.

HHPR 704 Workshop: (curriculum, coaching, health/wellness) 1-3

HHPR 722 School Health Problems 3

HHPR xxx(new class) Advanced Pedagogical Methods in Phys Educ	3
Advanced Pedagogical Methods in Phys Educ	
HHPR 825 Leadership and Legal Issues in Sport and Leisure Services	3
HHPR 840 Seminar	<u>3</u>
Students must compete 2-4 hours of elective coursework	17

Hospitality and Event Management Emphasis

REC-400: Event Planning and Management (3 hours)
 REC-402: Event Entertainment and Technology (3 hours)
 REC-404: Event Design (3 hours)
 REC-406: Resort, Spa and Lodging Operations (3 hours)
 REC-408: Casino, Food, and Beverage Operations (3 hours)
 REC-410: Tourism Planning and Development (3 hours)

Could sub. Practicum for workshop in Hosp. MGMT – 2 hours
 HHPR 823 – Finance & Marketing in Spt. Leisure Services – 3 hours
 Could put in emphasis HHPR 825 & 826 and take out REC 408 or 406

How distinguish master's classes from undergrad if have PSU undergrad students who want to do the hosp. Masters

Classes will be the same in the master's and the undergraduate

Don't allow students who completed the undergrad. Hosp to do the hosp. masters

Could have students who don't have the undergrad experience but now want the hosp. Masters

Would there be pre-reqs. Required for hosp. Classes

Could pick top three or four courses from hosp. emphasis and add classes from the grad. Program

Could have other hosp. emphasis classes be considered for special investigation classes

Could emphasize hosp. certificate for master's students instead of emphasis

With master's, would want to offer another type of business class for the hosp. emphasis

Discussed nine-hour internship – not being able to receive financial aid with nine hours during the fall and spring semester

Change the internship to 9 – 12 hours to take – speak with degree checking/registrar's/financial aid to understand what needs to be done/can be done

Meeting w/Dr. Oppliger & RSSHM
Faculty Discuss Hosp. MGMT
10/20/2020

Present:

Dr. John Oppliger

Dr. Sarah Ball

Dr. Rick Hardy

Dr. Janice Jewett

Dr. Laura Covert Miller

How distinguish master's classes from undergrad if have PSU undergrad students who want to do the hosp. Masters

Classes will be the same in the master's and the undergraduate

Don't allow students who completed the undergrad. Hosp to do the hosp. masters

What classes could be added to hosp. masters in addition to a couple of established hosp. classes; some concern with other classes from other departments – is there relationship there to make the classes happen

COMM 601

COMM 755

PSYCH 575 – Ind. Psych

HRD 796 –

GRT 705 – TECH

HRD 753

HRD 852

Could have some of the hosp. classes become dual undergrad/graduate

What number of students within PSU would want to take the hosp. masters program

Rotation of current hosp. could pose a problem with a two-year rotation

Could add some hosp. & tourism courses into the recreation & sport management

Get a master's degree in leisure and sport management but have a specialty route with hosp. classes – could take any two classes they wanted to from the hosp. emphasis that is offered during the time available

Be careful with how fit into emphasis; advise students to take classes or get certificate; change writing within the description – take some as electives; one hosp. be a dual grad class

Rewrite the description for the leisure and sport mgmt. emphasis in emphasis; two of electives have to fall within the hosp. emphasis

Sarah will rewrite the description for leisure and sport mgmt. to include the hosp. electives

Would the above scenario make you feel better about the student who has no background in hospitality but takes the leisure and sport management

Don't concern self with PSU students who would take this master's, think about how this may look

Would you be upset if another depart. created hosp. masters

Discussed Wellness emphasis for master's program

Differences between hosp & wellness master's – classes already established for wellness, but for hosp. would need to consider some other options
