

Frank and Dorothy (Fee) Horn Education Scholarship

Early 1940's

2003

Frank & Dorothy Horn

This scholarship was established in 2006 to help aspiring educators at Pittsburg State University achieve their goals. Mrs. Dorothy Horn received her Bachelor of Science in Elementary Education degree in 1942 and Mr. E. Frank Horn, Jr. received his Bachelor of Science in Business Education degree also in 1942. He went on to obtain his Master of Science in Business Administration in 1949. All their degrees were from Pittsburg State University which was then the Kansas State Teachers College. Both Horns understood the importance of education as well as the financial challenges that can make it difficult to earn a college degree. They were always grateful to those who helped them along the way, and they were always committed to their alma mater.
