

Graham Family Teacher Education Scholarship

Marjorie Graham

This scholarship was created in September 2017 in memory of Ms. Marjorie Graham by her children, Dr. Gloria Flynn and her husband Pat, Marilyn and Ken Bishop, Bob and Marilyn Graham, and Jon and Terre Graham. Ms. Graham was a single parent who instilled in her children the importance of a good education. Though attending college never became one of her experiences, she made sure it did for each of her children. She believed teaching was the most honorable of professions and, one by one, her children headed east out of Fredonia to Pittsburg, earning their teaching degrees at Kansas State College, Kansas State College of Pittsburg, and Pittsburg State University.
