Department of Health, Human Performance, & Recreation

Offering a Bachelor of Science in...
Recreation Services,
Sport, & Hospitality Management
With an Emphasis area in...

Therapeutic Recreation

This emphasis prepares students for supervisory and leadership positions in various hospital, private and community-based organizations delivering care as recreation therapists to individuals with various disabilities and ability levels. Students completing the Therapeutic Recreation emphasis qualifies them to sit for the National Council on Therapeutic Recreation Certification (NCTRC) Exam.

Recreational Therapists work with a variety of individuals requiring health services such as:

- ♦ Physical Medicine and Rehabilitation
- ♦ Pediatrics
- ♦ Geriatrics
- ♦ Mental and Behavioral Health
- ♦ Addictions
- ♦ Veterans
- ♦ Developmental Disabilities
