

Department of Health, Human Performance & Recreation
Recreation Faculty Meeting
Wednesday, June 26, 2013 1:00 p.m.
Room 101

The Rec Faculty met at the above-listed time for a brief meeting. The following were in attendance: Dr. John Oppliger, Dr. Dan Ferguson, Dr. Bill Stobart, Dr. Janice Jewett, & Ms. Laura Covert.

Spring 2014 Schedule: Dr. Oppliger informed faculty of the full retirement of Dr. Chuck Killingsworth effective December 2013. With this early retirement, there are two classes that need to be assigned an instructor (Rec 240 Intro to Therapeutic Rec) and (HHPR 820 Foundations in Rec & Leisure) After some discussion, Dr. Oppliger is requesting faculty either consider an overload or suggest names of individuals who could possibly teach these classes. Class times/dates are of consideration & movement of them would need to be done before spring enrollment begins.

Classes also affected for the spring are those of Dr. Janice Jewett, who will be on sabbatical. Classes in question are two sections of Dance Appreciation (HHP 151), Personal Training/Fitness Management (REC 425), and Finance & Marketing Sport & Leisure Services (HHPR 820). Discussion was held on possible solutions for offering and/or covering these classes.

Faculty met separately to continue discussions as Dr. Oppliger left for PITT CARES students. Dr. Dan Ferguson indicated that he may retire Summer 2014; although no official notification has been sent to the department.

The meeting was adjourned at 2:30 p.m.

Respectfully submitted,
