## **Project Lead The Way (PLTW) or, Science, Engineering, Technology, and Math (STEM) Scholarship**

**All materials must be received by March 1st**

Pittsburg State University is proud to partner with Project Lead The Way (PLTW) to offer scholarships to high school students graduating from a certified PLTW high school. Students who qualify will receive a \$500 renewable scholarship. The Tim Thomas and Larry Williamson Endowed Scholarship at Pittsburg State University was established to aid students entering PSU's nationally recognized Mechanical and Manufacturing Engineering Technology Programs. First consideration in awarding the scholarships goes to students who have completed the Project Lead The Way or other STEM curriculum. A second preference in awarding the scholarship is for students who have received the least amount of scholarship funding in their area. This scholarship can be renewed up to 4 years.

### **Criteria for receiving award:**

- Applicant must have graduated from a certified Project Lead The Way (PLTW) high school, earned at least a B average in their PLTW coursework and completed a minimum of 2 PLTW courses or completed an equivalent Science, Engineering, Technology, and Math (STEM) program.
- Applicant must major pursue an Bachelor of Science in Engineering Technology Degree and major in Mechanical Engineering Technology or Manufacturing Engineering Technology.
- Applicant must be accepted for admission to Pittsburg State University and complete an online Student Scholarship application. <https://go.pittstate.edu/scholarship.app.init>
- This application must be signed by Applicants current or most recent PLTW teacher.
- Renewal of award each year is contingent upon maintaining a 3.0 GPA, calculated at the end of each academic year and the availability of scholarship funds.
