

FACULTY SENATE MINUTES

October 26, 2020

The Pittsburg State University Faculty Senate met at 3:00 p.m. on Monday, October 26, 2020, with Cole Shewmake, President, presiding.

Past Minutes

Minutes from the September 28, 2020 meeting were approved with amendments.

Announcements

Provost and Vice President of Academic Affairs – Dr. Howard Smith

Dr. Smith started by thanking everyone for their efforts in getting us through 10 weeks of on-campus operations. Reports will be available soon from the Digital Measures and Student Technology working groups. Dr. Smith discussed the Strategic Planning Council and that Casey Hermansson will serve as the Faculty Senate representative. Discussion has been that there will likely need to be a transition period from the current strategic plan to a new strategic plan. Dr. Smith provided an overview of commencement exercises planned for November. Students will walk across the stage, have their names read and receive their diplomas. Friends and family are limited to four per graduate. A mitigation plan was submitted and approved by the Crawford County Health Officials. Lastly, Dr. Smith shared that the fall budget is unpredictable at the moment. Factors such as the state budget, enrollment/tuition revenue and employee benefit costs will all play a role. We could be looking at a deficit of 5-9 million. Typically, Academic Affairs takes the lion's share of the cuts.

PSU/KNEA –Khamis Siam, President

Dr. Siam reported that news from the most recent Town Hall indicated that we are in good shape financially for the 20-21 academic year. There are some concerns when considering the 21-22 academic year. Dr. Siam noted that pay cuts are always last resort when finances become stressed.

Student Senate – Bella L'Heureux, Representative

Dr. Smith noted that Ms. L'Heureux had met with him to propose mental health days for the spring 2021 semester. The proposal included one mental health day a month and not on the same day of the week. No specific dates were recommended in the proposal. If approved, dates would be campus-wide, not by individual instructor. Dr. Smith encouraged faculty to share this with units for feedback.

Unclassified Professional Senate – Jason Kegler, President

Dr. Kegler shared that the committee is meeting virtually and has been working on their website. Anyone is welcome to join the meetings. To piggyback on Dr. Smith's remarks regarding SGA, Dr. Kegler noted that SGA is committed to helping make a difference for students. They've talked a lot about mental health awareness and the need to expand resources to students, including increasing the availability of the counseling center and the addition of group therapy options. He encourages faculty to consider the mental health day proposal. Dr. Kegler also reminded faculty to complete the Campus Climate Survey that closes on November 6th.

University Support Staff – Terri Blessent, President

No report.

Faculty Senate President – Cole Shewmake, President

Dr. Shewmake shared that the free expression statement is still being reviewed by Faculty Senate Presidents across the system. He has received a few comments and encourages faculty to reach out to him with questions. In addition, Dr. Shewmake indicated that faculty must opt in to receive the out of state travel funds as part of the KNEA contract. If they do not opt in, the funds will go directly to their department. Funds must be used by June 30, 2021. Other announcements included that Casey Hermansson is the Faculty Senate representative on the Strategic Planning Council, Spring Break was moved to the end of the semester and the Campus Climate survey closes November 6th.

Committee Reports

Academic Affairs – Steve Cox, Chair

No report.

Undergraduate Curriculum – Mary Jo Goedeke, Chair

Dr. Hendershot reported that the committee approved and recommends all curriculum items on the agenda with two minor amendments: 1) the AAS degree proposed does not affect Pitt State Pathways and 2) FCS 340 was corrected to FCS 406 in the HHPR emphasis revision.

All curriculum items recommended by the Undergraduate Curriculum Committee were approved.

Library Services/Learning Resources – Stella Hasting, Chair

No report.

Online and Distance Learning – Krissy Lewis, Chair

Dr. Shewmake reported that the committee met on October 12th to discuss online learning experiences. Heather Eckstein provided her perspective based on what she hears from students. The committee plans to look at DFW rates prior to COVID in order to identify patterns that may exist. The committee also discussed following up on the online landing page and offering support for the next strategic plan.

Academic Honors – John Daley, Chair

No report.

Honors College – Michael Davidsson, Chair

No report.

Writing Across the Curriculum – Laura Covert-Miller, Chair

Dr. Binder reported that the committee received 41 applications for WL best practices and are in the process of reviewing. The committee is also discussing course substitutions and waivers in light of the 120 rule and for transfer students. If you have any thoughts on this, please share with Dr. Binder.

Diversity and Multicultural Affairs – Jessica Jorgenson-Borchert, Chair

Dr. Jorgenson Borchert reported that the committee met on October 12th and spoke to Deatrea Rose, newly appointed Assistant Vice President for Student Life – Senior Diversity Officer. They discussed the Campus Climate survey and past surveys that had been done by the committee. The results from the Campus Climate survey are expected just prior to break or in early 2021. The committee also discussed the need to build a list of courses that have diversity requirements. It was suggested that this be done with the help of the Tilford Group. For additional details, see the committee report in the agenda.

Student-Faculty – Gail Yarick, Chair

Dr. Shewmake reported that the committee met on October 2nd to discuss next steps for the proposed Dead Week Policy. It was decided to send the policy along with the Faculty Senate discussion notes from spring 2020 back to SGA for revisions for resubmittal. See agenda for additional details.

All University Committee – Tatiana Goris, Chair

No report.

Faculty Affairs – Trina Larery, Chair

Dr. Shewmake noted that there is currently \$15,000 available for Virtual Innovative and Academic Professional Development training for faculty. This provides clarification from what was reported at the last meeting. In addition, Kathleen Flannery will continue to monitor the current situation and reevaluate funding when appropriate. The budget line that she has created is not going away.

Constitution Committee – James Whitney, Chair

Dr. Whitney reported that the committee met to discuss amendments to the Bylaws. There were questions raised regarding the structure of some committees, whether they are committees or subcommittees. There are numerous committees in the bylaws that should be referred to as subcommittees. This was the first reading. The second reading will take place at the November meeting. For proposed changes to the Bylaws, see the committee's report in the agenda.

Pitt State Pathway Committee – Michelle Hudiburg, Chair

No report.

Budget Committee – Tatiana Goris, Chair

Dr. Goris reported that the committee met with Doug Ball and he plans to share some information with the committee around the end of November.

Academic Honesty – Shawnee Hendershot, Chair

No report.

Unfinished Business

None.

New Business

There was a need expressed to clarify the current nomination process. The election process is laid out in the constitution, but there is no formal nominations process outlined. In the past, nominations were taken from the floor, but that is no longer taking place. Dr. Shewmake will work with the Constitution committee to help provide clarification and determine if additional action is needed.

There was also a question regarding a repository of committee documents. Currently only Faculty Senate minutes are centrally archived. Dr. Shewmake encouraged faculty to share any thoughts they had on how we could efficiently store documents so that they would be available to incoming committee membership each year. CANVAS and Sharepoint were mentioned as platforms that may work for this purpose. (Sharepoint has a searchable option.)

Open Forum

None.

Diversity and Multicultural Affairs Subcommittee

October 12, 2020

Attending; Jessica Jorgenson, Lori Martin, Eric Rojas, Wei Sha, Daniel Maxwell, Lori Scott Dreiling, Deatrea Rose.

Meeting begins at 2:01 p.m.

Committee chairperson Jessica Jorgenson welcomed attendees, then shared the committee description (from Faculty Senate list of Amendments and Bylaws).

Deatrea Rose, newly appointed Assistant Vice President for Student Life-Senior Diversity Officer, shared information about the Council for Diversity, Equity, and Inclusion, and also discussed how the Diversity and Multicultural Affairs Subcommittee might support her in her new role.

Deatrea noted that she will report directly to Vice President for Student Life Steve Erwin. The position spans the university and includes partnering with diversity training, visiting classrooms, working with programs, and the completing the Campus Climate Survey.

She said the goal for the Campus Climate Survey is to collect as much information as possible, which will be compiled and disaggregated, then make use of the data for strategic planning.

Jessica Jorgenson asked when the survey results might be shared. Deatrea noted that it could be as early as just before holiday break, but probably at least by early 2021. Deatrea encouraged subcommittee members to remind colleagues to take the survey. The library has made more computers available so some staff, including grounds and physical plant, can complete the surveys. “We want to hear from everyone on campus,” she said.

Wei Sha asked if it’s possible to save the survey and then continue later. Deatrea said the survey recommences wherever the survey-taker leaves off.

Old Business

Information about committee’s work during AY 2019-20.

Jessica screen shared a PowerPoint with some of the results of the PSU Diversity Survey so far. She said that in 2018 or 2019 student affairs had similar survey, but with only forty-some results. Last year's survey garnered more responses than the 2018-2019 survey.

Wei Sha remarked that most survey-takers seem to perceive positively the university's approach to diversity, and that's good news. He did note that about 15 percent of survey-takers responded "neither agree nor disagree," and that he found that concerning. He said there isn't any place for the survey-takers to give feedback to explain that response.

Deatrea agreed. She said she has discussed this with Dr. Ananda Jayawardhana in Mathematics. Sometimes, she said, in some disciplines (like Math, Chemistry, Physics), diversity doesn't come up in the way it does in others.

Wei Sha wondered if more education about diversity might be helpful. He noted that the key words at the beginning of the survey were informative.

Jessica asked the committee what thoughts they might have regarding more education or resources about diversity.

Wei Sha and Deatrea both said they believe it might be best to wait until the survey results come back. Deatrea added that it's also important to find out what other areas around the university are doing: "Sometimes great things are happening, but we're operating in a silo and we have to find ways to know about them so we can help each other."

New Business

Ideas for how we can meet the subcommittee objectives.

Lori Scott Dreiling noted that she teaches Resource Management in Kelce and incorporates diversity inclusion. Deatrea said she knows some of the psychology classes do, as does nursing. Many programs on campus, she said, do teach diversity, and that it would be good to have a resource list. The list could be compiled with the help of Tilford.

Daniel Maxwell asked if diversity is a part of accreditation.

Deatrea said that it would probably be necessary to reach out to chairs and deans to find out that information.

Jessica recapped: Subcommittee's immediate task is to work with Tilford on a list of courses that have diversity requirements within them and to also ask about program accreditation. She said she would reach out to Jorge Leon.

Announcements

Reminders to complete the Campus Climate Survey and that Tilford is hosting READ events on Mondays and Thursdays.

Next meeting date will be in November.

Student Faculty Meeting Minutes
Friday, Oct 2, 2020

Call to order

Gail Yarick – Student Faculty Committee Chair, called the virtual teams meeting to order at 12:01pm.

Attendees

The following people were present: Committee Chair Gail Yarick, Jason Clemensen, Riley Bingham, Hazel Coltharp, Andrea McConnaughey, Melinda Roelfs – Registrar, and Mark Rice

Review of Spring Meetings and Faculty Senate Discussion

Recap of Spring Meetings and Faculty discussion that took place. Reviewed discussion from the Spring in provided written notes emailed to committee prior to meeting.

Gail confirmed that the policy brought forth in Spring of 2020 by SGA was the exact same as in 2005 and 2006 and was voted down by Faculty Senate.

Open Discussion

- Are the grievances with current policy? Is there need for change? Do we alter policy and send back to SGA for review?
- Policy request comes from turnover in officers from SGA.
- What constitutes a Major Exam (on final exam overload policy) it is defined as an assignment no more than 10% of final grade.
- Take policy back to SGA with discussion notes from F.S. from the Spring.
- Suggest that SGA provides locations to store the final approved policy ex: Syllabus supplement etc. Need list of all desired listing locations for both the policy and definitions.
- Should we change name of policy? Separate out Dead Week Policy and Violations might pass more easily.

Committee Decision

- Committee with student representative approval is sending the policy along with F.S. discussion notes from Spring 2020 back to SGA for revisions and adjustments for resubmittal.

Constitution Committee

BYLAW IV. Standing Committees.

Faculty membership of the standing committees shall be appointed by the Senate executive committee (See Article IV.B.). Appointed faculty members shall serve two-year terms: three being appointed in even-numbered years and three being appointed in odd-numbered years. An exception shall be that the first appointments after this By-law is effective shall consist of three appointments for one-year terms and three appointments for two-year terms. Student members shall be appointed by the Student Senate. The first meeting of each standing committee shall be called by the Senate executive committee member for the purpose of electing a chair. Each standing committee may create subcommittees in addition to those specified in this bylaw. The functions and membership of such subcommittees shall be determined by the standing committee. All standing committees, unless otherwise specified, shall function from the beginning of an academic year until the beginning of the following academic year. An annual report of each standing committee shall be submitted to the Senate executive committee in writing one week prior to the May meeting of the Senate. (Amended 3/23/81, 3/21/83)

- A. Academic Affairs Committee. (See Article IV.B.). This committee shall include two students. This committee shall be concerned with curricula, educational improvement, Pitt State Pathway, instructional resources, research, academic regulations, and other matters regarding the academic programs of the University. The following subcommittees shall report to the academic affairs committee: (Amended 4/19/99, 5/9/2019)
 1. Undergraduate Curriculum Subcommittee. This subcommittee shall consist of five faculty members and one student member. Each school curriculum committee will nominate one of its members (normally the elected chair) to the Faculty Senate Executive Committee for appointment. The Provost and Vice President of Academic Affairs shall serve as an ex officio member. The undergraduate curriculum subcommittee shall review and approve or reject proposals forwarded to it by the school curriculum committees. It shall deal only with undergraduate curricular proposals and course proposals at the 699 level and below. (Graduate curricular matters, including the approval of courses at the 700 level and above, fall under the jurisdiction of the Graduate Council and/or graduate faculty.) The agenda and minutes of the undergraduate curriculum subcommittee shall be circulated to all members of the Senate, deans, and departmental chairpersons prior to the Senate meeting in which action on such proposals is to be taken. All actions of the undergraduate curriculum subcommittee shall be reported at the Senate meeting immediately following the circulation of the committee minutes. Such action shall be considered final unless challenged by the Senate at the time of the committee report. The undergraduate curriculum subcommittee shall also establish Senate-approved guidelines for its actions. These guidelines should provide the frame of reference in which the various school committees will work, as, for example: (Amended 4/15/91)
 - a. New program proposals must have Board of Regents' approval.
 - b. Faculty resources must be logically available for the implementation of curricular modifications.
 - c. Reasonable physical resources should be available.

- d. Adequate library resources should be available.
- e. Curriculum modification should make a discernible contribution to the academic program of the University.
- f. New courses should not be introduced when existing courses may be modified and updated to include new materials.

2. Teacher Education Subcommittee. (Deleted 4/17/89)

3. Library Services Subcommittee. This subcommittee shall consist of five faculty members, one of which will serve as chair (with at least one representative from each school/college in the University), plus three faculty representatives from Library Services, two students (one undergraduate, one graduate student), with the Dean of Library Services, and the Provost and Vice-President for Academic Affairs serving as ex officio members, without voting privileges. The Library Services Subcommittee shall be concerned with: (Amended 2/18/2002, 5/8/2017)

- a. Policies and related procedures affecting the operations of Library Services as it serves the university's students, faculty, and the public. The subcommittee shall be responsible for seeing that policies approved by the Faculty Senate are followed. The Dean of Library Services shall be responsible for the implementation of the policies of the subcommittee.
- b. The Library Services Subcommittee will serve as an advocate for adequate funding of Library Services (print, online materials, instructional media, and other resources) to serve the university's strategic plan. When deemed appropriate, it will disseminate key information to the faculty and students via the Faculty Senate and Student Government Association about issues and policies that are to have an effect on the budget. The subcommittee will provide a process for departments to voice concerns about inadequacies in learning resources. The outcome of such procedures will be a letter to the Student Government Association and Faculty Senate Presidents, the Dean of Library Services, and the Provost and Vice President of Academic Affairs detailing the particular problem, the department's needs, and the Subcommittee's recommendation.
(Adopted 5/8/2000, 5/8/2017)

4. Information Systems Subcommittee. (See Article IV.B.) Amended to dissolve the ISC in favor of changes in faculty representation on the non-Faculty Senate Information Technology Council (ITC), effective August 2018.

5. Online and Distance Learning Subcommittee. (See Article IV.B.) This subcommittee shall include one faculty member from each of the four colleges/schools, one faculty member from Axe Library staff, two faculty from the Faculty Senate membership, and two students. The Dean of Graduate and Continuing Studies and the Director of the Center for Teaching and Learning Technologies shall serve as an ex-officio member. This subcommittee shall:

- a. Serve as a communications link between organizational units and Office of Graduate and Continuing Studies in regard to online and distance learning courses, policies and issues.
- b. Help recruit faculty and other appropriate resource persons to participate in online and distance learning activities.
- c. Participate in the formation, development and implementation of guidelines and procedures utilized in carrying out functions of the Office of Graduate and Continuing Studies regarding online and distance learning.
- d. Identify areas/methods by which the Office of Graduate and Continuing Studies can increase online and distance learning services to the University. (Adopted 12/14/87 Amended 3/20/89, 5/11/98, Amended 5/7/18).

6. Academic Honors Subcommittee. This subcommittee shall consist of five members. The five faculty members shall be from schools/departments participating in the academic honors program with one from the College of Education, one from the College of Technology, one from the College of Business and two from the College of Arts and Science. Within the College of Arts and Science, there will be separate committees including one representing the school/departments of natural sciences (physics, chemistry, biology, mathematics and nursing) and one from one of the other departments (art, communication, English & modern language, family & consumer sciences, history, philosophy & social sciences, military science, music and interdisciplinary programs). When possible and filled in a timely manner by the Student Government Association, two students who are eligible to participate in the Academic Honors Program shall also be included in the subcommittee membership. The Director of Honors College and the Vice President for Academic Affairs shall serve as ex officio members. (Amended 5/9/11, Amended 5/7/18). The subcommittee responsibilities include:

- a. Faculty members of the Faculty Senate Academic Honors Subcommittee would serve as the Chair/Co-Chairs of the College Academic Honors Subcommittee and would report back to the Faculty Senate Subcommittee as appropriate. Each College will create a College Academic Honors Committee whose responsibility it is to develop clearly defined standards and guidelines for Academic Honors Projects within their disciplines, and to review all student applications submitted to ensure quality and rigor of the projects proposed.
(Amended 5/7/18) (Amendment as of 4/23/12 begins here) For the Colleges of Business, Education and Technology, the subcommittee will consist of one representative from each school/department. Within the College of Arts and Sciences, there will be separate committees representing schools/departments considered as Arts and those considered as Sciences. Subcommittee representatives will be selected by the schools/departments. (Amended 5/7/18)
- b. The Faculty Senate Academic Honors Subcommittee will address any student concerns voiced with regard to projects that were denied or sent back for modifications, if the student so choose to bring it forth.
- c. The Faculty Senate Academic Honors Subcommittee will review and act upon any proposals for new courses to be added as "may be taken for honors." (Concludes amendment of 4/23/12)
- d. Uphold the integrity of the guidelines of each school/department/college through the review of applications. (Amended 5/7/18)
- e. Propose modifications in the honors program to the Senate as the need arises. (Amended 5/15/89)

7. (Removed 4/19/99)

8. Honors College Subcommittee. This subcommittee shall consist of six faculty members, one of whom shall be the director of the Honors College serving ex officio, and two students eligible to participate in the Honors College Program, one from the junior class and one from the senior class. A faculty member term shall be two years, with three members selected in even numbered years and two members selected in odd numbered years. The vice president for academic affairs shall be an ex officio member of the subcommittee without voting privileges. The responsibilities of the subcommittee shall be:

- a. To establish the criteria for selection to the Honors College.
- b. To select Honors College students.
- c. To exercise oversight and establish rules for the Honors College on curriculum and develop guidelines for non-curricular honors activities. (Adopted 5/15/89, Amended 01/27/92)

9. Writing Across the Curriculum Subcommittee. The subcommittee shall consist of two members from Arts and Sciences, one member from the College of Business, one member from

the College of Technology, one member from the College of Education, one student member, one member from Learning Resources, the Director of Writing Across the Curriculum, the Assistant Director of Writing Across the Curriculum, and the Vice President of Academic Affairs (ex officio).

The subcommittee shall be responsible for planning and proposing Writing to Learn curriculum changes and for reviewing Writing to Learn Best Practices documentation. The minutes of this subcommittee shall be distributed to members of the Senate, deans and chairpersons one week prior to the Senate meeting in which action on such proposals is to be taken. (Adopted 5/14/90, Amended 5/9/19)

10. Diversity and Multicultural Affairs Subcommittee. This subcommittee shall consist of one faculty member from the Department of Curriculum and Instruction, one faculty member from Teacher Education (Secondary), one faculty member from each of the other college/schools (Arts and Sciences, Business, and Technology), two at-large faculty members, and two students. The Director of Student Diversity Programs, the Director of International Programs and Services, and the Director of Equal Opportunity and Affirmative Action shall serve as ex-officio members of the subcommittee. This subcommittee shall:

- a. Explore the influences of diversity and multiculturalism in instruction, in the curriculum, and in the academic content of various disciplines.
- b. Serve as liaison among the organized diversity groups on campus, including the Tilford Group, the University Council on Diversity, the Office of Student Diversity, etc.
- c. Develop curriculum resources which deal with diversity and cultural issues. (Adopted May 11, 1998, November 24, 2014)

None

2. Will any additional student fees be required (e.g. equipment, clothing, travel, licensing, etc.)?
 Yes No *If "yes," please realize that it will need to gain approval of the President's Council.*

Please give the rationale for additional student fees:

3. Will this revision have specific Pitt State Pathway courses required? Yes No
Please realize that this requirement will need to gain approval of the Pitt State Pathway Committee.
4. Will this revision affect any education majors? Yes No
If "yes," please realize that this requirement will need to have the approval of the Council for Teacher Education.
5. What additional costs will be required for this modification (e.g. staffing, equipment, etc.)?
None

Additional Questions for certificate only:

1. Are students pursuing only this certificate eligible for federal financial assistance based on federal guidelines? (minimum of 24 hours) Yes No
2. Does the course content contained within this certificate provide relevance to employment opportunities or meet professional objectives for the student? Yes No

If "yes," to both questions, it is the department's responsibility to send a copy of this legislation form to the Director of Financial Assistance to initiate Department of Education approval.

Is this new course proposal related to, and/or affect, any other department's/college's/unit's curricula or programs at Pittsburg State University?

 Yes No

Whether a "yes" or "no" response, please provide an explanation. Provide documentation of any discussions (e.g. copies of e-mails, memos, etc.) that have occurred.

We don't foresee this as affecting any other programs. It will be open to any major but is primarily focused on non-majors.

Proposed Course:Course Number: MKTG 201Title of Course: Fundamentals of MarketingCredit Hours: 3Date first offered: Spring 2021
(Semester/Year) Fall Spring Summer
(check all that apply)Prerequisite: None

Course Description (as it will appear in the next catalog): This course introduces elementary marketing concepts, practices and techniques. Emphasizes basic lexicon and the marketing mix (price, product, promotion, and distribution). Includes the development of a personal marketing/career plan using basic marketing concepts. May not be taken if a student has taken any MKTG course numbered 300 or above.

Purpose/Justification for Proposed Course: There are three targeted student populations for this course: first, it is aimed at those non-business majors who may need an understanding of marketing practicalities. Second, it is aimed at the student considering marketing as a major. Finally, it is aimed at marketing students who want to study marketing as soon as possible (note, this isn't required of marketing majors). This course emphasizes the practical application of the marketing mix.

Objectives/Student Learning Outcomes (as it will appear in the syllabus)

1. Define and describe Marketing and its systems
2. Recognize the role marketing plays in society
3. Identify (a) marketing ethics and (b) criticisms of marketing
4. Identify primary variables of segmentation and targeting
5. Recognize and apply the elements of the marketing mix

Assessment Strategies (e.g., exams, projects, university rubric, etc. (as it will appear in the syllabus))

Exams will be used to assess SLO 1-5. Additionally, a project requiring students to develop a personal marketing plan will be used to assess SLO 5

If you wish to attach a syllabus, you may attach it to the end of this document as part of the packet.

Additional Questions

1. Additional resources required (e.g. library or multimedia resources, technology, space, major expense, etc.):

Textbook

Boone & Kurtz, Fundamentals of Marketing 17th Edition

Catalog Course Description

This course introduces elementary marketing concepts, practices and techniques. Emphasizes basic lexicon and the marketing mix (price, product, promotion, and distribution). Includes the development of a personal marketing/career plan using basic marketing concepts.

Prerequisites

None

Course Description

This course revolves answering the question “*What is marketing?*”. We answer it through our exploring the basic elements of marketing: who our customers are and how to provide what they want through the marketing mix.

Course Objectives / Learning Outcomes

1. Define and describe Marketing and its systems
2. Recognize the role marketing plays in society
3. Identify (a) marketing ethics and (b) criticisms of marketing
4. Identify primary variables of segmentation and targeting
5. Identify and apply marketing mix

Pitt State Pathway Goals

This course fulfills the Pitt State Pathway goal of *Human Systems within a Global Context*. It accomplishes this through the exploration of how products are developed, priced, distributed, and promoted at the global to the local level.

Teaching Methods

This course will primarily be lecture-based. An individual student project in which the student develops a personal marketing plan is required

Canvas

The course will be fully managed through Canvas; exams may or may not be administered through Canvas.

Attendance Policy

Students are expected to attend class daily

Academic Integrity

All Pitt State students are bound by the academic integrity policies of the university as described and outlined in the current Syllabus Supplement. Please familiarize yourself with these rules and guidelines. In addition, as a course offered through the Kelce College of Business, students in this class are obligated to adhere to the college's Student Code of Ethics as outlined below.

Students pledge to:

- Arrive on time, remain until dismissed at all class sessions, and notify instructors in advance of anticipated absences, late arrivals, or early departures whenever possible.
- Turn off cell phones or other electronic devices while in class, unless permission to use them has been granted.
- Refrain from class disturbances.
- Refrain from use of profane or vulgar language in a threatening or disruptive manner.
- Treat fellow students, staff, faculty, administrators, and property with respect.
- Refrain from giving or receiving inappropriate assistance.
- Prepare assignment and exams honestly, refraining from such unacceptable conduct as plagiarism or unacknowledged appropriation of another's work in any academic work.
- Obey the policies, regulations, and laws of the United States of America, the State of Kansas, The Kansas Board of Regents, Pittsburg State University, and the Gladys A. Kelce College of Business.
- If a student observes someone committing dishonesty in connection with academic work, the student is encouraged to report that dishonesty to the appropriate individual (ex, faculty member, or administrator).

Students with Disabilities

Please inform the instructor if you have a learning or physical disability that interferes with course requirements. Assistance and/or appropriate accommodations may be available through the contacts listed on the current Syllabus Supplement.

Course Evaluation Methods

[University requirement; describe major assignments, projects, and testing; explain course grading procedures and policies in detail]

Note

The instructor reserves the right to amend and to reorganize this syllabus at any time.

Whether a "yes" or "no" response, please provide an explanation.

These additions will give students more options depending on their focus and path beyond their undergraduate degree.

Is this revision related to, and/or may affect, any other department's/college's/unit's curricula or programs at Pittsburg State University?

Yes No

Whether a "yes" or "no" response, please provide an explanation. Provide documentation of any discussions (e.g. copies of e-mails, memos, etc.) that have occurred.

After conferring with both my department chair, Dr. John Oppliger and the Recreation Services, Sport and Hospitality Management faculty-coordinator, Dr. Laura Covert-Miller, both supported the additions; I then had a phone conversation and email with the Family and Consumer Sciences chair Dr. Duane Whitbeck. He thought it was a great idea.

Rick,

It is our intent to offer Sports Nutrition every spring semester. We were delighted to have 20 undergraduates and 1 graduate student enroll in the course and there are still 18 undergraduates and 1 graduate student in the course. Right now we are planning to teach a section of Community Nutrition (which is largely a Nutrition Education course) in the Fall 2020. We will be adding an Advanced Nutrition course in the future.

Request for New Major

Department: TWL College: COT This program is to be offered 50% or more online as a Hybrid _____
This program is to be offered fully online XX
Submission Date: 5-19-2020 Effective: Fall, 2021

Contact Person: Greg Belcher Faculty member Chair
(Year)

Title of Proposed Major: Associate of Applied Science in Career and Technical Education

Delivery Method:
 Face-to-Face
 On-line
 Hybrid

If face-to-face/hybrid, location offered: _____

Purpose/Justification for Major: Since moving Career and Technical Education to an online and hybrid Zoom format, CTE teachers from other states have expressed interest in our coursework and degrees. Several states, as a part of their certification process, need to have an associate degree as a checkpoint to meet their certification requirements. The addition of an AAS in CTE, would provide a recruitment tool for out-of-state individuals who are enrolling in the PSU CTE program. When the idea of the AAS degree was shared with the KCCTE advisory committee, they unamously supported it.

Is this new major proposal related to, and/or may affect, any major, degree, or program at any other Regent university?
 Yes No

Whether a "yes" or "no" response, please provide an explanation.
Several of the community and technical colleges have request a midway point for those CTE instructors that are teaching in CTE programs at their college. Additionally as we work with other states, we have found that the some have certification requirements of an associates degree for their CTE teachers to be fully certified.

Is this new major proposal related to, and/or may affect, any other department's/college's/unit's curricula or programs at Pittsburg State University?
 Yes No

Whether a "yes" or "no" response, please provide an explanation. Provide documentation of any discussions (e.g. copies of e-mails, memos, etc.) that have occurred.

Please complete the Kansas Board of Regent forms located at [http://www.kansasregents.org/academic affairs/new program approval](http://www.kansasregents.org/academic%20affairs/new%20program%20approval) and list the proposed curriculum for the major, in section 2 (II) under "Curriculum Outline" of the forms. Please input the proposed curriculum as you wish it to appear in the next catalog. If you have any questions about the KBOR forms, please contact the Provost's administrative officer at x4113.

Additional Questions

1. Additional resources required (e.g. library or multimedia resources, technology, space, major expense, etc.):
None

2. Will any additional student fees be required (e.g. equipment, clothing, travel, licensing, etc.)?
 Yes No *If "yes," please realize that it will need to gain approval of the President's Council.*

Please give the rationale for additional student fees:

No additional fees will be required.

3. Will this major have specific PittState Pathway courses required? Yes No
Please realize that this requirement will need to gain approval of the PittState Pathway Committee.
4. Will this major affect any education majors? Yes No
If "yes," please realize that this requirement will need to have the approval of the Council for Teacher Education.
5. What additional costs will be required for this major (e.g. staffing, equipment, etc.)?
none

Total Number of Semester Credit Hours for the Degree: [60 semester credit hours for AAS Degree]

II. Clinical Sites: Does this program require the use of Clinical Sites? No it does not

III. Justification

Since moving Career and Technical Education to an online and hybrid Zoom format, CTE teachers from other states have expressed interest in our coursework and degrees. Several states, as a part of their certification process, need to have an associate degree as a checkpoint to meet their certification requirements. The addition of an AAS in CTE, would provide a recruitment tool for out-of-state individuals who are enrolling in the PSU CTE program.

Additionally, the administrators and instructors at community and technical colleges in Kansas have expressed the need to provide such a degree. Most all of their CTE faculty come from business and industry and have a great deal of work experience, but not an academic credential. This would provide these teachers with access to their first academic credential as they work toward a bachelor degree.

IV. Program Demand: Select one or both of the following to address student demand:

A. Market Analysis

The institution (Oklahoma State University) in Oklahoma providing CTE teacher education courses so that CTE instructors can meet certification and degrees requirements has determined that they can no longer offer these courses. Currently, the administrators at comprehensive high schools and technology centers are looking at other institutions who can fill this void. The Bachelor of Science in Career and Technical Education offered at PSU is quite similar to the one that was in place at Oklahoma State University. Recently Oklahoma moved from requiring a bachelor degree, to an associates for teachers to obtain the full CTE certification. If these out-of-state teachers are going to take coursework through PSU, there is a need for these individuals to obtain an associate degree (for their first level of CTE certification). Other states are facing CTE certification issues similar to Oklahoma, and despite CTE teachers being in high demand, other state universities are phasing out their CTE teacher education programs.

Some states, such as Colorado and Missouri, require that their teachers to pursue a bachelor degree in CTE to obtain their full certification, for which an associate degree in CTE would be a great checkpoint for them working toward a bachelor degree.

V. Projected Enrollment for the Initial Three Years of the Program

Year	Headcount Per Year		Sem Credit Hrs Per Year	
	Full- Time	Part- Time	Full- Time	Part- Time
Implementation		10		90-180*
Year 2		20		180-360*
Year 3		40		360-720*

*estimates based on students taking 3-6 credit hours per semester (fall, spring and summer)

VI. Employment

Most all of the individuals who would be pursuing this degree are currently teaching full time in a CTE program/pathway at a Technology Center, Comprehensive High School, Community or Technical College. The primary focus is to first meet their state’s certification requirements (for which some require an associate degree).

VII. Admission and Curriculum

A. Admission Criteria

Student admitted into this AAS for CTE would have to meet the admission requirements of Pittsburg State University, either as a new or transfer student. Transfer students are defined as students who have 24 or more transferable college credits completed after high school graduation.

Career and Technical Education Courses

Career and Technical Education Courses would be taken through Pittsburg State University. A total of 27 hours would be required. Following are the courses students could select from each semester. Most student who would be in this program would be employed fulltime, so they would be take only 3-6 hours a semester. The Technical Education unit currently uses a five-year tentative plan of courses. With the use of this plan, we can advise students from Kansas and other states to enable these students to meet their CTE Certification requirements that are in place for the state they are teaching.

No additional cost would be incurred with the addition of this associate degree. All of the CTE coursework included with this degree is already being taught as a part of the Bachelor of Science in Career and Technical Education degree or coursework that is being used to help CTE teachers meet state certification requirements. Additionally with the implementation of this degree it would ensure a perfect match for those AAS in CTE graduates who plan to pursue their Bachelor of Science in CTE.

X. Expenditures and Funding Sources Explanations

A. Expenditures

Personnel – Reassigned or Existing Positions

Current faculty would be used to advisee and teach courses for this degree.

Personnel – New Positions

No new positions would be added to support this degree.

Start-up Costs – One-Time Expenses

There would not be any start-up cost to implement this degree.

Operating Costs – Recurring Expenses

There would not be any new or additional recurring expenses. The faculty that teach courses for the Technical Education are already in place and teaching these courses.

B. Revenue: Funding Sources

Two types of revenue would be generated through this degree. The first would be tuition dollars and the second would be the distance fee that is currently be charged for all mediated and Zoom Hybrid coursework.

C. Projected Surplus/Deficit
