DROPPING A COURSE OR WITHDRAWING FOR THE SEMESTER

A student who discontinues attending and does not officially withdraw from a course or from the university will be assigned an "F" grade in the course or courses concerned. These "F" grades will be included in the computation of the grade point average.

The dates for dropping courses that run less than eight weeks are proportionate to the length of the course. The last day to drop an eight-week course would be the end of the sixth week. Consult your instructor or the Registrar's Office for questions about a specific course. For clarification on drop/add policies, contact the Registrar's Office, 103 Russ Hall, 620-235-4200 or registrar@pittstate.edu. Students and Faculty cannot use GUS Classic to drop enrollment after the first day of classes. To drop, you must contact the Registrar's Office at 620-235-4200 or registrar@pittstate.edu.

IMPORTANT INFORMATION FOR STUDENTS RECEIVING FINANCIAL ASSISTANCE

Student aid is available each semester for students who qualify. Please contact the Office of Student Financial Assistance for any questions at 620-235-4240 or by email at finaid@pittstate.edu.

The Office of Student Financial Assistance is required to recalculate financial aid eligibility for students who withdraw, stop attending or are dismissed prior to completing 60 percent of a semester. This Return to Title IV calculation applies to students receiving the following Title IV funds including:

- Federal Pell Grant
- Federal SEOG (supplemental grant)
- Federal TEACH Grant for education majors
- Federal Direct Loans
- Federal Parent PLUS Loans

Federal financial aid is returned to the federal government based on the percent of unearned aid disbursed toward institutional charges for tuition, fees, on-campus room and board, and book voucher funding. Students may be required to repay a portion of the aid funds received.

When aid is returned, the student will owe a balance to the University and/or Department of Education Title IV Programs. Please contact Student Financial Aid if you are considering dropping hours during the semester to see how you will be affected.

CLASS ATTENDANCE POLICY

Students at Pittsburg State University are expected to attend class regularly and participate fully in class activities. It is the responsibility of the course instructor to set the attendance policy for his or her courses and communicate that policy to students in the course syllabus. The syllabus should address

whether and how attendance affects the course grade, the issue of excused absences, and whether students will be dropped for nonattendance or excessive absence.

Students who have not attended or who have been excessively absent from a class may be dropped from the course by the instructor. In such instances, this policy must be clearly stated in the syllabus and uniformly enforced. Students may be dropped at any time in the semester based on course policy. Instructor drops after $\frac{3}{4}$ of the class days have passed will result in a grade of "F" for the course.

Regardless of the faculty prerogative to drop a student for nonattendance or excessive absence, the ultimate responsibility for monitoring and maintaining up-to-date course enrollment rests with the student.

STUDENT COMPUTER RECOMMENDATIONS

It is highly recommended that students have access to a computer to complete online and hybrid classes. While most tasks in Canvas can be completed on a mobile device, you need to have access to a computer for certain assignments or to use additional tools. Student computer recommendations can be found at <https://www.pittstate.edu/etech/student-computer-recommendations.html>

UNIVERSITY SPONSORED STUDENT ACTIVITIES

Pittsburg State recognizes the transformational values of out-of-class activities. Whether initiated or sponsored by faculty or other University representatives, these activities add value to our programs, whether academic, cultural, professional or athletic. While ideally none of these University-sponsored or sanctioned activities would interfere with classroom attendance and participation, it is inevitable that at times conflicts will occur. For guidance in these situations, please visit

<https://www.pittstate.edu/faculty-staff/files/documents/faculty-senate/documents/university-sponsored-activity-policy.pdf>.

INCLEMENT WEATHER POLICY

If forecasts or weather conditions suggest that travel in the area could become hazardous a policy is in place to determine if campus will be closed. The notification process can be found at <https://www.pittstate.edu/police/files/documents/severe-weather-emergency-plan1.pdf>. Notification methods typically include the PSU website, local news media, and text messaging for those who subscribe to this service.

If the University declares an inclement weather day, it is at the instructor's discretion to determine any shifts to course work.

PUBLIC HEALTH ADVISORY

The latest information about health advisories can be found at <https://www.pittstate.edu/office/health-services/index.html>. *Course delivery is subject to change at any time.* Modifications made to course delivery will not result in any changes to tuition and fees and will not alter a student's residency when used in determining applicable tuition and fee rates.

ACADEMIC INTEGRITY POLICY

Academic dishonesty by a student is defined as unethical activity associated with course work or grades.

It includes, but is not limited to:

- Giving or receiving unauthorized aid on examinations.
- Giving or receiving unauthorized aid in the preparation of notebooks, themes, reports, papers or any other assignments.
- Submitting the same work for more than one course without the instructor's permission, and,
- Plagiarism. Plagiarism is defined as using ideas or writings of another and claiming them as one's own. Copying any material directly (be it the work of other students, professors, or colleagues) or copying information from print or electronic sources (including the internet or any text/other content generated by AI programs) without explicitly acknowledging the true source of the material or without the instructor's permission is plagiarism. Plagiarism also includes paraphrasing other individuals' ideas or concepts without acknowledging their work, or contribution, and
- Unless otherwise stated by the instructor, exams, quizzes, and out-of-class assignments are meant to be individual, rather than group, work. Hence, copying from other students' quizzes or exams, as well as presenting as one's own work an assignment prepared wholly or in part by another is in violation of academic honesty.

The above guidelines do not preclude group study for exams, sharing of sources for research projects, or students discussing their ideas with other members of the class unless explicitly prohibited by the instructor.

Since the violation of academic honesty strikes at the heart of the education process, it is subject to the severest sanctions, up to and including receiving an "F" or "XF" (an "XF" indicates that "F" was the result of academic dishonesty) for the entire class and dismissal from the university. For a full copy of this policy see Article 30, Academic Misconduct; <https://www.pittstate.edu/registrar/catalog/current/student-rights-and-responsibilities.html>

INCOMPLETE GRADES

An incomplete grade may be assigned in rare instances when a student is unable to complete a course due to circumstances beyond his/her control. You must have completed a majority of the coursework to be eligible for this consideration. Unless granted an extension by the instructor, students have only one semester to complete the work.

If you feel like you qualify for an Incomplete grade, you should visit with your instructor and not assume an IN grade will be assigned automatically.

CREDIT FOR PRIOR LEARNING

Pittsburg State University accepts credit for AP, CLEP, IB exams and others. Learn more at <https://www.pittstate.edu/registrar/credit-for-prior-learning.html> Additional information may also be found in the catalog under Academic Regulations.

FINAL GRADE REPORTS

Final grades are reported to the Registrar's Office at the conclusion of the course. You may access your grades in GUS Classic immediately upon grade posting.

GRADE APPEALS

Final course grades are to be awarded upon criteria communicated to the student at the beginning of the semester. Additional work after a final grade was submitted cannot be used to change the grade.

If you believe that an error has been made in the assignment or recording of a final grade, you should first confer with the instructor. If such a conference does not resolve the problem, a grade appeal form must be submitted to the head of the academic department that offers the course in question. This appeal form must be submitted no later than six weeks after the beginning of the fall or spring semester immediately following the semester in which the grade being appealed was received.

The appeal form is available online on the Registrar's Office and Graduate School's webpage under forms.

WEAPONS and CONCEALED CARRY POLICY

Concealed Carry Weapons Policy

<https://www.pittstate.edu/police/files/documents/Concealed-Carry-Weapons-Policy.pdf>

The handgun must be in the person's custody and control at all times with safety mechanism engaged. Handguns must be carried securely in a suitable carrier (backpack, purse, handbag, or other personal carrier designed and intended for the carrying of an individual's personal items). The suitable carrier must at all times remain within the exclusive and uninterrupted control of the individual. This includes wearing the carrier with one or more straps consistent with the carrier's design, carrying or holding the carrier, or setting the carrier next to or within the immediate reach of the individual.
