MODIFICATIONS DUE TO COVID-19

In response to the COVID-19 pandemic PSU has implemented temporary changes that will be in effect through the Summer 2021 semester. The latest information about COVID-19 can be found at https://www.pittstate.edu/office/health-services/coronavirus/index.html. Due to the novel pandemic, course delivery is subject to change at any time. Modifications made to course delivery due to the evolving pandemic will not result in any changes to tuition and fees and will not alter a student’s residency when used in determining applicable tuition and fee rates.

The University has implemented a face-covering policy to require all faculty, staff, students, and visitors to wear masks on campus. The mask policy can be found at https://www.pittstate.edu/office/health-services/coronavirus/psu-face-mask-policy-2020.pdf.

RECOMMENDED TECHNOLOGY FOR ONLINE, HYBRID AND HYFLEX COURSES

It is highly recommended that students have access to a computer to complete online, hybrid and hyflex classes. While most tasks in Canvas can be completed on a mobile device, you need to have access to a computer for certain assignments or to use additional tools. Below are links to minimum technology requirements for a few commonly used tools. Check your course syllabus for tools that may be implemented.

Canvas - https://community.canvaslms.com/docs/DOC-10720-what-are-the-browser-and-computer-requirements-for-canvas

The University does not have technology available for check-out. Students should be prepared for technology needs based on the information above and the information provided in each course syllabus.

DROPPING A COURSE OR WITHDRAWING FOR THE SEMESTER

A student who discontinues attending and does not officially withdraw from a course or from the university will be assigned an “F” grade in the course or courses concerned. These “F” grades will be included in the computation of the grade point average.

The dates for dropping courses that run less than eight weeks are proportionate to the length of the course. The last day to drop an eight week course would be the end of the sixth week. Consult your instructor or the Registrar’s Office for questions about a specific course. For clarification on drop/add policies, contact the Registrar’s Office, 103 Russ Hall, 620-235-4200 or registrar@pittstate.edu. Students and Faculty cannot use Gus to drop enrollment after the first day of classes. To drop, you must contact the Registrar’s Office.

IMPORTANT INFORMATION FOR STUDENTS RECEIVING FINANCIAL ASSISTANCE

Student aid is available each semester for students who qualify. Please contact the Office of Student Financial Assistance for any questions at 620-235-4240 or by email at finaid@pittstate.edu.

The Office of Student Financial Assistance is required to recalculate financial aid eligibility for students who withdraw, stop attending or are dismissed prior to completing 60 percent of a semester. This calculation applies to students receiving the following Title IV funds including:

- Federal Pell Grant
- Federal Direct Loan
- Federal Parent PLUS Loan
- Federal TEACH Grant for education majors

Federal financial aid is returned to the federal government based on the percent of unearned aid disbursed toward institutional charges for tuition, fees, and on-campus room and board. Students may be required to repay a portion of the aid funds received.

When aid is returned, the student may owe a balance to the University and/or Department of Education Title IV Programs. Please contact Student Financial Aid if you are considering dropping hours during the semester, to see how you will be affected.

SEVERE WEATHER INFORMATION

If forecasts or weather conditions suggest that travel in the area could become hazardous a policy is in place to determine if classes or other University activities will be cancelled. This policy and notification process can be found at https://www.pittstate.edu/police/safety.html#undefined5. Notification methods typically include the PSU website, local news media, and text messaging for those who subscribe to this service.

CLASS ATTENDANCE POLICY

Students at Pittsburg State University are expected to attend class regularly and participate fully in class activities. It is the responsibility of the course instructor to set the attendance policy for his or her courses and communicate that policy to students in the course syllabus. The syllabus should address whether and how attendance affects the course grade, the issue of excused absences, and whether students will be dropped for nonattendance or excessive absence.

Students who have not attended or who have been excessively absent from a class may be dropped from the course by the instructor. In such instances, this policy must be clearly stated in the syllabus and uniformly enforced. Instructor drops after ¾ of the class days have passed will result in a grade of “F” for the course.

Regardless of the faculty prerogative to drop a student for nonattendance or excessive absence, the ultimate responsibility for monitoring and maintaining up-to-date course enrollment rests with the student.

ACADEMIC INTEGRITY POLICY

Academic dishonesty by a student is defined as unethical activity associated with course work or grades.

It includes, but is not limited to:
(a) Giving or receiving unauthorized aid on examinations.
(b) Giving or receiving unauthorized aid in the preparation of notebooks, themes, reports, papers or any other assignments.
(c) Plagiarism. Plagiarism is defined as using ideas or writings of another and claiming them as one's own. Copying any material directly (be it the work of other students, professors, or colleagues) or copying information from print or electronic sources (including the internet) without explicitly acknowledging the true source of the material is plagiarism. Plagiarism also includes paraphrasing other individuals' ideas or concepts without acknowledging their work, or contribution. To avoid charges of plagiarism, students should follow the citation directions provided by the instructor and/or department in which the class is offered.

The above guidelines do not preclude group study for exams, sharing of sources for research projects, or students discussing their ideas with other members of the class unless explicitly prohibited by the instructor. Since the violation of academic honesty strikes at the heart of the education process, it is subject to the severest sanctions, up to and including the receiving of an "F" or "XP" (an "XF" indicates that "F" was the result of academic dishonesty) for the entire class and dismissal from the university. For a full copy of this policy see: http://catalog.pittstate.edu/content/blueprints/blueprint_display.php?bp_listing_id=162&blueprint_id=124&aid=1&menu_id=7980

INCOMPLETE GRADES

Incomplete grade may be assigned in rare instances when a student is unable to complete a course due to circumstances beyond his/her control. Students must have completed a majority of the coursework to be eligible for this consideration. Unless granted an extension by the instructor, students have only one semester to complete the work.

If you feel like you qualify for an incomplete grade, you should visit with your instructor and not assume an "I" grade will be assigned automatically.

CREDIT FOR PRIOR LEARNING

Pittsburg State University accepts credit for AP, CLEP and IB exams. Learn more at https://www.pittstate.edu/registrar/credit-for-prior-learning.html

Additional information may also be found in the catalog under Academic Regulations.

FINAL GRADE REPORTS

Final grades are reported to the Registrar’s Office at the conclusion of the course. You may access your grades in GUS immediately upon grade posting via GUS on your transcript. Your Grade Report on GUS will be available beginning July 31, 2021.

GRADE APPEALS

Final course grades are to be awarded upon criteria communicated to the student at the beginning of the semester. Additional work after a final grade was submitted cannot be used to change the grade.

If you believe that an error has been made in the assignment or recording of a final grade, you should first confer with the instructor. If such a conference does not resolve the problem, a grade appeal form must be submitted to the head of the academic department that offers the course in question. This appeal form must be submitted no later than six weeks after the beginning of the fall or spring semester immediately following the semester in which the grade being appealed was received.

The appeal form is available online on the Registrar’s Office and Graduate School’s webpage under forms.

UNIVERSITY SPONSORED STUDENT ACTIVITY POLICY

Pittsburg State recognizes the transformational values of out-of-class activities. Whether initiated or sponsored by faculty or other University representatives, these activities add value to our programs, whether academic, cultural, professional or athletic. While ideally none of these University-sponsored or sanctioned activities would interfere with classroom attendance and participation, it is inevitable that at times conflicts will occur.
