

2024-25: agregar una firma faltante

Todos los contribuyentes requeridos (usted, sus padres, su cónyuge) deben firmar en su formulario FAFSA 2024-25. Si a su formulario le faltan una o más firmas requeridas, no está completo y no será elegible para recibir ayuda federal para estudiantes.

Una vez que se procese su formulario, usted y su(s) colaborador(es) pueden seguir los pasos a continuación para agregar la firma que falta.

Nota: Las imágenes incluidas en estas instrucciones muestran la vista del formulario por parte de los padres. Sin embargo, los pasos para agregar una firma al formulario son los mismos para estudiantes y padres.

Paso uno

Inicie sesión en StudentAid.gov y seleccione el envío de la FAFSA en la sección "Mi actividad" del Panel de control de su cuenta. Luego verá una página de detalles del envío. En "Formulario FAFSA® procesado", seleccione "Proporcionar firma".

The screenshot shows a notification titled "FAFSA® Form Processed" with a warning icon. Below the title is the heading "Errors Found in Your Application" and a paragraph of text: "The student should access their FAFSA Submission Summary to see what errors need to be addressed on the FAFSA form. The student can access their FAFSA Submission Summary by selecting the 'Actions' button or scrolling to the 'FAFSA Submission History' section and selecting 'View FAFSA Submission Summary' in the 'Actions' column." Below this text is a yellow box with a black exclamation mark icon, the heading "Student Will Be Ineligible for Federal Student Aid", and the text: "In order to process the FAFSA® form, you need to provide a signature. Without it, the student won't be able to receive federal student aid. Select 'Provide Signature' to do so now." To the right of this text is a yellow button labeled "Provide Signature".

Segundo paso

En la página "Corrija su formulario FAFSA®", seleccione "Proporcionar firma".
