Note to Dependent Students

Please refer to the information listed below in determining who is considered a parent for purposes of this form.

(Note that grandparents, foster parents, and legal guardians are not considered parents on this form unless they have legally adopted you.)

- ◆ If your parents (biological or adoptive) are both living and married to each other regardless of gender, include them both in the household listing and base this questionnaire on their household.
- ◆ If your parent (biological or adoptive) is widowed or never married, include this parent in the household listing and base this questionnaire on his/her household. If your widowed parent is remarried as of the date you completed the FAFSA, include the parent **and** the person to whom your parent is married (your stepparent).
- ◆ If your parents (biological or adoptive) have divorced or separated, only include in the household listing the parent you lived with more during the past 12 months, and base this questionnaire on his/her household. (If you did not live with one parent more than the other, only include the parent who provided more financial support to you during the last 12 months or during the most recent year you actually received support from a parent, and base this questionnaire on his/her household).
- ◆ If this parent has remarried as of the date you completed the FAFSA, include that parent **and** the person to whom your parent is married (your stepparent), regardless of gender
- ◆ If your biological or adoptive parents are unmarried and living together regardless of gender include them in the household size.

Who to include in your parents' household:

- ◆ Yourself and your parents (including your stepparent, as stated above), even if you do not live with your parents, or if the state has determined them to be your parent.
- ◆ Your parents' other children, even if they do not live with your parents, if:
 - Your parents will provide more than half of their support from July 1, 2021 through June 30, 2022; or the children would be required to provide parental information when applying for federal student aid; and
 - Other people if they now live with your parents, and your parents provide more than half of their support and will continue to provide more than half of their support from July 1, 2021 through June 30, 2022.
- ◆ If your parents have included a household member that is not an immediate family member (such as a niece, nephew, grandparent, etc.), or a child or sibling that is 24 years of age or older, please contact our office to complete the Parent of Dependent Students Proof of Other Legal Dependent Form.
