Report from Graduate Assistantships fundraising committee

Dr. Winters stated the committee has met with Scott Roberts. Mr. Roberts said that the Development office is more than willing to help raise funds for assistantships. He feels that faculty should also help with this endeavor and would like some wording to help his department sell the fundraising to potential donors. Dr. Snyder stated that Brian Peery could assist with looking for grants. She also stated that Mr. Roberts wanted the Deans to agree with pursuing money for assistantships.

Program Review – Dr. Snyder

Dr. Snyder explained that the Ed.S Community College and Higher Education degree program faculty did not respond to the committee as scheduled from the 2006 review. Dr. Scott then placed the program on hold, resulting in not allowing students to be admitted or recruited. A new degree request from the College of Education for this program is expected to be submitted in the future.

The next meeting will be Wednesday, April 9, 2008 at 3:00 p.m.
