

Request for Senior Graduate Status

Seniors at PSU may apply to take graduate work and receive graduate credit during their last semester of their undergraduate program. To qualify as a Senior Graduate, students must be admitted to the Graduate School, in good academic standing in their undergraduate work, and must have completed the undergraduate paperwork to graduate in the same semester as Senior Graduate status is approved. Senior Graduates cannot exceed nine hours of graduate work and 16 overall hours of credit. Students requesting to be considered as Senior Graduates must apply to the Dean of the Graduate School, with the understanding that the number of graduate hours each individual student may take is regulated by the Dean.
