

ISSUE 2: SEPTEMBER RECAP

# HOUSING LEADERSHIP NEWSLETTER

OCTOBER 1, 2021

## September Recap

This month's newsletter showcases all the September's highlights put on by Pittsburg State University Housing Organizations: National Residence Hall Honorary (NRHH) and Residence Hall Assembly (RHA).

NRHH is an organization composed of the top 1% of student leaders living on campus. Service and Recognition being the two core values and is here to serve the residence halls.

RHA is a student lead organization here on campus dedicated to building a campus-wide community in housing. RHA focuses on planning campus-wide programs for on-campus residents, investing in student leaders, and giving a voice to the students who live on campus.

# NRHH

National Residence Hall Honorary hit the ground running! On September 20th, NRHH went and picked up trash as their September monthly service event, and got a lot of the litter around the residence halls! This month's service event is writing two OTMs so please fill out the google form below for someone you might think deserves written shout out on campus.

NRHH will be leading into October planning our next month service and recognition event so stay tuned for the next HLN.

---

What is an OTM? It is an Of The Month and is a wonderful way to recognize someone for their hard work and a job well done. Whether it be for a program they hosted or someone who has been doing a phenomenal job being an RA or Advisor. Want to recognize someone? Scan this QR code and it will take you to our Google Form!

## Community Council Spotlight!

## Trout Hall Paint night!

## September guest speaker:

The Student Recreation Center was our first guest speaker this semester and talked about how residents can get involved through intramural sports! The Student Recreation Center is always looking for new teams for intramural sports, Resident Assistants could even make this a weekly community tradition!

**Check out the PSU website for more information on how to create a team!**

# Concession stand season has arrived!

RHA is responsible for staffing one of the large Sodexo concession stands during the football regular season. For each home football game, RHA has the responsibility of getting 10 workers to work the stand. The money raised from each stand goes toward the RHA general budget.

In September, RHA worked the two home games and were able to work out the kinks and make things run very smoothly. We are looking forward to the last three home games! If you come to a home game, make sure to stop by and support RHA!

## THANK YOU EVERYONE!
