RHA Spring 2022 Retreat

This year's retreat with the RHA Executive board went well! Throughout the retreat we had team bonding through a Murder Mystery game, evaluated our General Body Survey for upcoming meetings, set new goals and expectations, and learned each other's different personality types.

Emerging Leaders Academy

Emerging Leaders Academy (ELA) is an annual leadership program offered by Campus Activities for Student Organization members.

Through large and small group interactive leadership activities, RHA examined our understanding of leadership, connected with peer organizations across PSU, and gained insight that will elevated our capacity to lead RHA.
