

# HOUSING LEADERSHIP NEWSLETTER

MACRH 31, 2022

## March Recap

This month's newsletter showcases all the March highlights put on by Pittsburg State University student-led housing organizations: National Residence Hall Honorary (NRHH) and Residence Hall Assembly (RHA).

NRHH is an organization composed of the top 1% of student leaders living on campus. Service and Recognition are the two core values and are here to serve the residence halls.

RHA is a student lead organization here on campus dedicated to building a campus-wide community in housing. RHA focuses on planning campus-wide programs for on-campus residents, investing in student leaders, and giving a voice to the students who live on campus.

## Monthly Service!

For our service this month we took old t-shirts that were laying around and made dog toys out of them! Given to the SEK Humane Society currently, they are overloaded with animals and so we wanted to help provide some dog toys  
**(Below is a picture of us making and braiding the dog toys and finishing our recognition.).**

What is an OTM? It is an Of The Month and is a wonderful way to recognize someone for their hard work and a job well done. Whether it be for a program they hosted or someone who has been doing a phenomenal job being an RA or Advisor. Want to recognize someone? Scan this QR code and it will take you to our Google Form!
