Block 22 Floor Plans

Block 22 is a downtown housing option for Pitt State students. more description

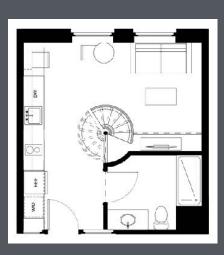

Suites

Generally larger units in the 400-500+ sq ft range that incorporate some type of division between living and sleeping (similar to a 1bdr) that are distinguished as premium based on size, style and location.

Flats

Midsize 'shotgun style' units, all in the 400 sq ft range, that feature partial height walls and a raised platform bed to create an open, urban feel.

Lofts

Select units with a studio size footprint that take advantage of 15 ft ceilings to provide a larger and completely unique living experience through a spiral staircase and lofted sleeping area.

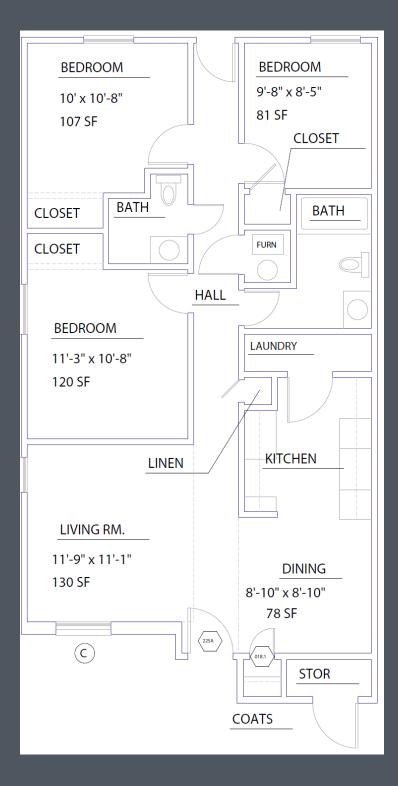

Studios

Traditional studio style units in the 300 sq ft range designed with smart features, such as movable ladders and murphy beds to create an efficient and enjoyable space.
