

## GUS CLOUD HR LOGIN & NAVIGATION

On the Pitt State home page ([www.pittstate.edu](http://www.pittstate.edu)), on the top right of the screen click on Campus Logins and select GUS Portal.

A screenshot of the Pitt State GUS Portal login page. On the left is a vertical image of the Gorilla Geeks statue. The main content area features the Pitt State University logo, a login form with fields for Username and Password, a 'Keep me signed in' checkbox, and a 'Sign in' button. A red arrow points to the 'Keep me signed in' checkbox. Below the form are links for 'Forgot PSU Unified Password' and contact information for Gorilla Geeks. A footer note explains PSU Username formats for employees and students.

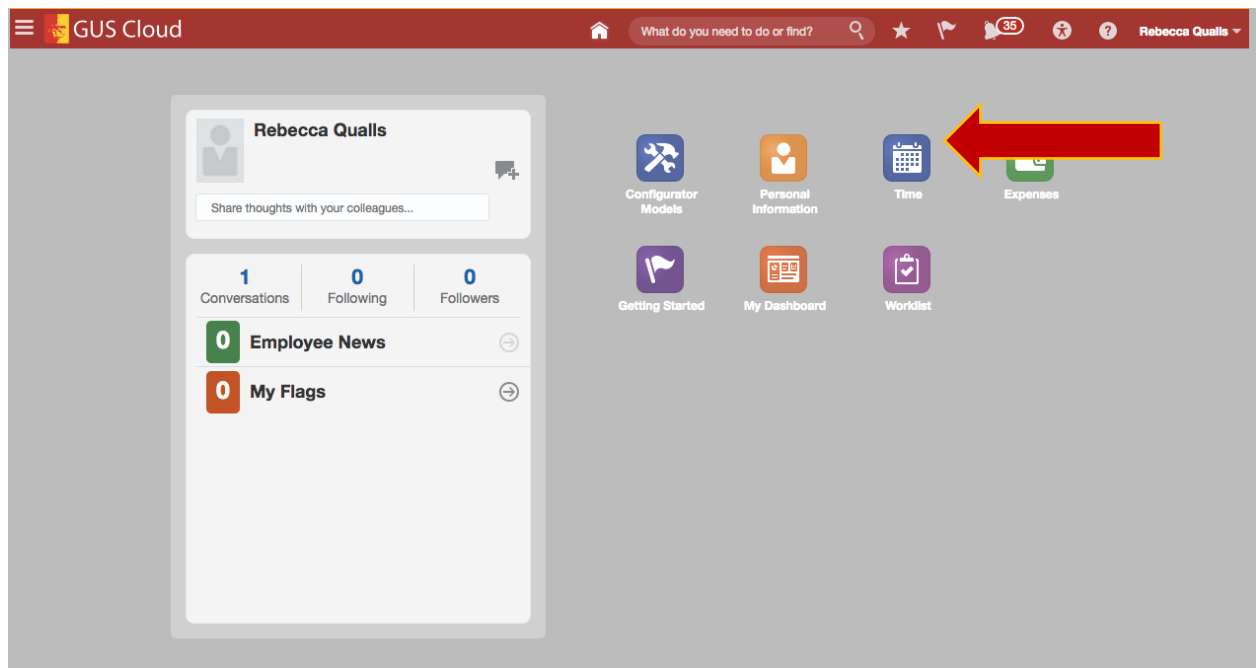

Sign in to the GUS Portal using your Pitt State Username and Password

Clicking on the Keep me Signed in box will keep you logged in for 24 hours (only do this on your personal computer)
