If you prefer to use Rx Savings Solutions services over the phone, give our Pharmacy Support team a call at [1-800-268-4476](tel:1-800-268-4476).

**Don't forget: Adult dependents need to activate their own account!**

Due to privacy regulations, adult dependents need to activate their own accounts to use Rx Savings Solutions. (Prescription information and savings for minor-aged dependents will appear on the primary policy holder's account.)

Please share this email with your adult dependent(s). Remind them to bookmark the online portal or download the Rx Savings Solutions mobile app.

## Questions?

Our Pharmacy Support team can help.

Call [1-800-268-4476](tel:1-800-268-4476) or reply to [support@rxsavingsolutions.com](mailto:support@rxsavingsolutions.com)

You are receiving this email from Rx Savings Solutions on behalf of the State Employee Health Plan.

Rx Savings Solutions has partnered with your health plan or employer to save you money on prescriptions. We utilize your claims history to find opportunities to save money on medications you and your family are taking.

Any savings amounts displayed are based on Rx Savings Solutions patented algorithms and may vary at time of dispensing. All suggestions provided are for informational purposes only.

### Disclosures + Legal

Rx Savings Solutions is a HIPAA-compliant service and your personal health information ("PHI") will not be shared with anyone, including your employer. Once you enroll with Rx Savings Solutions, you will be able to access information about your prescriptions and other PHI, so proper authentication is required.

Your Social Security Number or Health Plan ID may be used for authentication purposes during the initial setup. Once you have been authenticated, you will be able to set up your own account login and password for future account access.
