

The Kansas Department of Labor recently mailed IRS Form 1099-Gs to people who received unemployment benefits in 2020. Every effort has been made to prevent IRS Form 1099-G notices from being sent to identity theft victims. However, due to the record high volume of unemployment claims, it is possible that some identity theft victims may receive a notice.

If a claimant wishes to dispute her or his IRS Form 1099-G or has erroneously received one due to fraud, the person should do so using the KDOL Self Service Portal, which can be accessed [here](#). The portal can also be reached by visiting: www.UIAssistance.GetKansasBenefits.gov.

If payments made due to identity theft are mistakenly reported on the IRS Form 1099-G in the name of an identity theft victim, KDOL will issue a corrected IRS Form 1099-G reporting \$0 to the identity theft victim and file a corrected form with the IRS.

Additionally, there is a designated phone line where claimants can call for more information concerning their IRS Form 1099-G. That number is **785-575-1461** or toll-free at **888-499-0063**. The number will be staffed during regular and extended business hours from **Monday through Friday, 8 a.m. CST to 8 p.m. CST**, and on **Saturday from 8 a.m. CST to 2 p.m. CST**.
