## Stand By Pay

### General Information

University support staff employees in non-exempt positions (positions that **are** eligible for overtime compensation) are eligible for stand-by pay. Stand-by pay is two dollars and twenty-five cents (\$2.25) per hour for each hour the employee is required to serve on stand-by time. Stand-by time means a period of time outside an employee's regularly scheduled work hours, during which the employee is requested, at University direction, to remain available to the University within a specified response time of not less than one (1) hour or more than two (2) hours. Stand-by assignments shall be limited to work situations where a probability for emergency recall of an employee exists.

Employees on stand-by who are called in to work shall be compensated for the actual hours worked at the appropriate rate of pay. They shall not be paid stand-by compensation in addition to the appropriate compensation for the hours actually worked. Only the hours actually worked by the employee shall be credited in determining eligibility for overtime compensation.

### Reporting Example -- Stand-By Pay

Steve Standby regularly works from 8:00 a.m. to 4:30 p.m. Monday through Friday. He is on stand-by every other Saturday from 8:00 a.m. to 4:30 p.m. During the pay period 2/9/97 - 2/22/97, he was called in on his stand-by Saturday as follows:

2/15/97 -- Called in; worked from 10:00 a.m. - 12:00 p.m.

He is eligible for overtime compensation for the 2 hours worked on 2/15/97 because he worked more than 40 hours that week.
