1. The referring student must be currently enrolled at PSU (IEP, Undergraduate or Graduate).
2. The referred students who qualify must be admitted to undergraduate or IEP. This excludes graduate applicants.
3. The referring student must complete the referral form prior to receiving the referred student's application. Awards will not be granted for applicants who already have an application for admission in process.
4. The referred student must enroll at PSU before both scholarships are awarded: \$500 to the referring student and \$500 to the referred student.
5. The referring student will be awarded the scholarship after the referred student is enrolled. If the student refers the student in their final semester, the referring student will forfeit their portion of the scholarship.
6. Number of students referred by the same student may be limited based on scholarship funding available.
7. Both the referring student and the referred student must be identified as an international student with a valid F1 or J1 visa.
8. Referred students recruited by an agent are not eligible for this scholarship. Exchange students are not eligible.
9. International Admission Officer will review the referral and make the decision based on scholarship funds available at the time of enrollment. Submitting this form does not guarantee a scholarship. This is a one-time scholarship in the form of a tuition waiver.
