

## English Composition and WL Courses Enrollment Guidelines

The composition courses required and their sequence depend on a student's ACT English score. To find a student's ACT English score, an advisor can click on the **Profile** icon on the student's advisement page in GUS. Students who do not have ACT scores recorded in GUS must take the courses required for students with an ACT English score of 26 or below.

ACT English Score	1 <sup>st</sup> Writing Course	Remaining Writing Requirements
26 or below	ENGL 101	ENGL 299 and two WL courses
27	WL + ENGL 101-40	ENGL 299 and one WL course
28 or higher but not an Honors College Student	WL + ENGL 101-40	ENGL 190 (offered only in spring) and one WL course
28 or higher and an Honors College Student	WL + ENGL 101-40	ENGL 190H (offered only in spring) and one WL course

**Note 1:** Freshmen who enter PSU having already taken ENGL 101 will enroll first in any WL course but not in ENGL 101-40, and then they will complete the composition sequence as described above for their particular ACT English score.

**Note 2:** Students who transfer fewer than 55 passed credit hours that include Freshman Composition I and II or their equivalents must take two WL courses.

**Note 3:** Students who transfer at least 55 passed credit hours to PSU do not have to take WL courses.
