**Gorilla Advantage Tuition Program**
The Gorilla Advantage Tuition Program makes it possible for eligible non-resident students from select counties in Missouri, Oklahoma and Arkansas* to pay resident tuition and fees. To be eligible as an undergraduate, a student must be a U.S. citizen and either permanently reside in (for at least 12 consecutive months) or graduate from a high school located in one of the eligible counties and enroll at PSU within one semester after high school graduation. A graduate student may also qualify if he/she is a U.S citizen and meet the graduate admission requirements for his/her selected academic major.

*Eligible counties include:

**Missouri** - Barton, Barry, Bates, Cass, Cedar, Clay, Dade, Henry, Jackson, Jasper, Lawrence, McDonald, Newton, Platte, St. Clair, Vernon

**Oklahoma** - Craig, Delaware, Mayes, Nowata, Ottawa, Rogers, Tulsa, Washington

**Arkansas** – Benton, Washington

**Gorilla Edge Tuition Program**
Non-resident students who are permanent residents of Arkansas, Colorado, Iowa, Missouri, Nebraska, Oklahoma and Texas pay 150% percent of resident tuition plus fees.

**Legacy Tuition Program**
The Legacy Tuition Program makes it possible for eligible non-resident students to pay 150% of resident tuition plus fees. An undergraduate student is eligible if all of the following criteria apply:

- Enrolling as a full-time student
- Meets criteria for regular admission as a freshman or transfer
- Has a parent or grandparent who graduated from PSU with a bachelors, masters or post-masters degree

The duration of the award is up to eight semesters of undergraduate study. The length of the award varies dependent upon transfer hours earned prior to the student’s first enrollment at Pittsburg State University. Renewal beyond the first year requires that a student maintain a 2.5 cumulative GPA and a 2.5 on all work completed at Pittsburg State.

**Midwest Student Exchange Program (MSEP)**
The Midwest Student Exchange Program (MSEP) is a tuition discount program designed to improve access for non-resident students to attend Pittsburg State University in select academic programs. Students selected to receive the MSEP discount pay 150% of resident tuition plus fees. A non-resident student who is a permanent resident of one of the following states may be eligible: Illinois, Indiana, Michigan, Minnesota, Missouri, Nebraska, North Dakota, Ohio and Wisconsin.

To be eligible as a freshman, a student must have a minimum 21 ACT/980 SAT and at least a 2.5 GPA (on a 4.0 scale) in the Kansas Regents' Pre-College Curriculum. A transfer student must have at least a 2.5 cumulative college GPA (on a 4.0 scale).

Incoming freshmen and transfer students must also major in the one of the following areas:

- Automotive Technology
- Biology
- Chemistry
- Communication
- Construction Management
- Construction Engineering Technology
- Electronic Engineering Technology
• English
• Exercise Science
• Family and Consumer Sciences
• Geography
• Graphic Communications Management
• History
• Justice Studies
• Music
• Physics
• Plastics Engineering Technology
• Political Science
• Recreation
• Sociology
• Technology and Engineering Education
• Wood Technology

The MSEP tuition discount will expire after four years of undergraduate study or upon earning an undergraduate degree; whichever occurs first. MSEP recipients must maintain a major within the list of MSEP majors, maintain at least a 2.5 cumulative college GPA and maintain full-time enrollment.

Instructional Supplies and Equipment Fee
Beginning with the Fall 2005 semester, as part of the tuition assessed each student, $4 per credit hour is collected for the acquisition, maintenance, repair, and replacement of instructional materials (including instructional supplies and equipment). $1 per credit hour is matched by the State of Kansas and allocated to Academic Affairs. $3 per credit hour is allocated to the individual colleges based upon annual credit hour production. In addition to this assessment, the College of Technology assesses $14 per credit hour for all courses not offered through Continuing Studies with a cap of $140 per semester.

Media Instructional (Distance) Fee
Students enrolled in courses offered online or through the Interactive Distance Learning (IDL) network will be assessed $36 per credit hour of enrollment. This fee supports the development and delivery of these courses.

Library Fee
As part of the tuition assessed each student, $1 per credit hour is collected for the on-going support of the university library. The fee supports the acquisition of periodicals, books, and related library materials. This includes printed materials and electronic information resources.

Continuing Studies Courses (per credit hour rate)
Non-resident students enrolled as a campus student and taking Continuing Studies Courses will be charged the non-resident tuition rate. Part-time students taking only online or continuing studies courses will pay the Continuing Studies tuition and fee rates.

REFUND POLICIES

General Refund Policy

The refund policy shall apply to fall and spring semesters. Classes meeting for periods shorter than a semester will have refunds prorated accordingly. Refund dates shall be based on (class) days including registration, examinations and commencement. Special fees as listed in the fee schedule and fees for private lessons are non-refundable.

1. A student who withdraws during the first week of the semester will be refunded, upon application, all their fees, except those fees listed in the fee schedule as non-refundable.

2. A student who withdraws after the first week but during the first one-third of a semester will be refunded upon application, one-half of their fees, except those fees listed in the fee schedule as non-refundable.

3. A student who withdraws after the first one-third of a semester is not entitled to any refund.

4. Students must withdraw through the Registrar's Office. Withdrawals must be processed by several offices before refunds can be processed by the University Cashier’s Office; therefore, students should expect a delay of three weeks.

5. An appeals process is available to the student who feels their situation warrants an exception from the stated fee refund policy. Students should direct written appeals to the University Registrar. The Petition for Refund form can be found on the Registrar’s web page at http://www.pittstate.edu/office/registrar/forms.dot.

6. No refund will be given for short courses (1-2 days) or travel courses once the program has begun.

In the event that PSU is responsible for a fee assessment or calculation error, the error will be corrected.

Title IV Recipient Refund Policies

Students need to be cautioned under this policy. Students who totally withdraw after receiving Title IV assistance in many cases will have to repay a portion of the funds received. The Financial Assistance Office recalculates federal* financial aid eligibility for students who withdraw, stop attending courses without completing an official withdrawal, or are dismissed prior to completing 60% of a semester. Recalculation is based on the percent of earned aid using the following formula:

Percent earned = Number of days completed up to the withdrawal date* divided by total days in the semester.

Federal financial aid is returned to the federal government based on the percent of unearned aid using the following formula:

Aid to be returned = (100% - percent earned above) times the amount of aid disbursed toward institutional charges. Institutional charges are: tuition, fees, on-campus room and board and books charged through the PSU Bookstore, using a bookstore voucher.

When aid is returned, the student will owe a debit balance to the University and/or the Department of Education Title IV Programs. If a student owes a debit balance to the Department of Education, payment arrangements should be made directly through the Department of Education, Debt Resolution Services at 1-903-259-3877. If you need additional assistance, please contact the Office of Student Financial Assistance.

If a student owes a balance to the university, those funds must be repaid immediately, or payment arrangements made through the Cashiers Office.

*Federal financial aid includes the Federal Pell Grant, SEOG Grant, TEACH Grant, Perkins Loan, the Federal Direct loan Programs and Federal Direct PLUS Loan.
**Withdrawal Date** is defined as the actual date the student began the institution’s withdrawal process through the Registrar’s Office, the student’s last date of recorded attendance, or the midpoint of the semester for a student who leaves without notifying the institution.

**Military Tuition Refund Policy**

Students serving in the National Guard or Reserves who are called to active duty during an academic term are entitled to receive a full refund of tuition and fees. Students who are drafted and must report for active duty during an academic term are entitled to receive a full refund of tuition and fees. All refunds are subject to presentation of official documentation. Students who volunteer for military service will be subject to the University's general refund policy. Room and board charges will be prorated to the extent that services have been provided.

**TUITION WAIVER FOR KANSAS TEACHER OF THE YEAR**

Any Kansas Teacher of the Year recipient may enroll for up to nine credit hours annually at any Regents institution without payment of tuition or fees if the individual is actively pursuing a teaching career in Kansas. To be eligible, a person must be (1) a past or present recipient of the Kansas Teacher of the Year award under the program administered by the Kansas Department of Education and (2) employed as a teacher in an educational institution accredited by the Kansas Department of Education.

**TUITION FOR KANSAS MILITARY AND PUBLIC SAFETY OFFICER FAMILIES**

The state board of regents shall authorize the following class of persons to pay an amount equal to resident fees: Any dependent or spouse of a person in military service who is reassigned from Kansas to another duty station so long as such dependent or spouse continues to reside in Kansas.

Kansas HB2154, effective July 1, 2015, provides in-state tuition rates to a current member of the armed forces or veteran of the United States military or the member’s spouse or dependent-child who is enrolled as a postsecondary student. In-state tuition rates are provided regardless to the length of time the person has resided in the state if the person files a letter of intent to establish residence in the state, lives in the state while attending, and the person is eligible for postsecondary educational benefits.

Every Kansas educational institution shall provide for enrollment without charge of tuition or fees for: (1) Any dependent or spouse of a public safety officer who died as the result of injury sustained while performing duties as a public safety officer so long as such dependent or spouse is eligible; (2) any dependent or spouse of any resident of Kansas who died on or after September 11, 2001, while, and as a result of, serving in military service; and (3) any prisoner of war. Any such dependent or spouse and any prisoner of war shall be eligible for enrollment at a Kansas educational institution without charge of tuition or fees for not to exceed 10 semesters of undergraduate instruction, or the equivalent thereof, at all such institutions.

**PITTSBURG STATE UNIVERSITY EMPLOYEE DEPENDENT TUITION WAIVER PROGRAM**

The purpose of the Dependent Tuition Waiver Program is to provide an opportunity for dependent children of eligible employees to receive a partial or full tuition waiver at PSU while seeking an undergraduate degree. An eligible employee is an employee appointed to a benefits-eligible position at PSU with 12 continuous months, or one academic year for faculty, of service to PSU in a benefits-eligible position. For a dependent of an eligible employee to qualify the dependent must meet the eligibility requirements approved by the Kansas Board of Regents at the May 2006 meeting. The amount of tuition waived is determined based on the eligible employee’s length of service. An employee’s death does not preclude eligibility. Employee eligibility and percentage of tuition waiver is determined as of the date of the employee’s death. The deceased employee’s eligible dependent must meet all other eligibility requirements. (REV. WF2015)
KANSAS FOSTER CHILD EDUCATIONAL ASSISTANCE ACT

The purpose of this act is to establish an educational assistance program under which payment of tuition and required fees charged to eligible foster children shall be waived (see Senate Bill 85 or inquire at the Registrar’s Office to determine eligibility). A tuition and required fee waiver would be provided for the undergraduate enrollment of an eligible foster child, through the semester or until attaining the age of 23, who enrolls in a Kansas educational institution on or after July 1, 2006.

To remain eligible for participation in the program, an eligible foster child shall remain in good standing at the Kansas educational institution where the eligible foster child is enrolled and shall make satisfactory progress toward completion of the requirements of the educational program in which they are enrolled. An eligible foster child shall not have waived the amount of tuition waived for any course repeated or taken in excess of the requirements for completion of the educational program in which they are enrolled. Each eligible foster child who is enrolled in a Kansas educational institution and who is participating in the program shall be responsible for all fees charged by the institution that are not directly related to and required for the courses in the educational program of the eligible foster child (SB 355 removed the expiration date on SB 85).
