REFUND POLICIES

Refund Policy

A student who withdraws during the first week of the semester for a full semester course will be refunded all tuition.

A student who withdraws after the first week but during the first one-third of a semester will be refunded one-half tuition with the exception of class, laboratory and computer access fees.

A student who withdraws after the first one-third of a semester is not entitled to any refund.

Fees for private lessons are not refunded.

The refund policy shall apply to semesters. Prorated refunds will be applied to classes, or terms of shorter duration, including summer term. (See university calendar).*

Withdrawals and refunds must be reviewed by several offices before being processed. Students should allow three weeks for approved refunds to be received. Funds are returned to the source from which they were initially received. If paid by credit card, refunds are returned to the same credit card. There are no refunds for 1-2 day courses or travel courses once the program has begun.

An appeal process is available to the student who feels their situation warrants an exception from the stated fee refund policy. Students should direct written appeals to the University Registrar. The Petition for Refund form can be found on the Registrar's web page, under Forms, at <https://www.pittstate.edu/registrar/index.html>.

***Please note the online Professional MBA program is not included in the general refund policy. See the Online MBA Academic Calendar for important dates and deadlines.**

Title IV Recipient Refund Policies

Students need to be cautioned under this policy. Students who totally withdraw after receiving Title IV assistance in many cases will have to repay a portion of the funds received. The Financial Assistance Office recalculates federal* financial aid eligibility for students who withdraw, stop attending courses without completing an official withdrawal, or are dismissed prior to completing 60% of a semester. Recalculation is based on the percent of earned aid using the following formula:

Percent earned = Number of days completed up to the withdrawal date* divided by total days in the semester.

Federal financial aid is returned to the federal government based on the percent of unearned aid using the following formula:

Aid to be returned = (100% - percent earned above) times the amount of aid disbursed toward institutional charges. Institutional charges are: tuition, fees, on-campus room and board.

When aid is returned, the student will owe a debit balance to the University and/or the Department of Education Title IV Programs. If a student owes a debit balance to the Department of Education, payment arrangements should be made directly through the Department of Education, Debt Resolution Services at 1-903-259-3877. If you need additional assistance, please contact the Office of Student Financial Assistance.

If a student owes a balance to the university, those funds must be repaid immediately, or payment arrangements made through the Cashiers Office.

***Federal financial aid includes the Federal Pell Grant, SEOG Grant, TEACH Grant, Federal Direct loan Programs and Federal Direct PLUS Loan.**

Military Tuition Refund Policy

Students serving in the National Guard or Reserves who are called to active duty during an academic term are entitled to receive a full refund of tuition and fees. Students who are drafted and must report for active duty during an academic term are entitled to receive a full refund of tuition and fees. All refunds are subject to presentation of official documentation. Students who volunteer for military service will be subject to the University's general refund policy. Room and board charges will be prorated to the extent that services have been provided.

TUITION WAIVER FOR KANSAS TEACHER OF THE YEAR

Any Kansas Teacher of the Year recipient may enroll for up to nine credit hours annually at any Regents institution without payment of tuition or fees if the individual is actively pursuing a teaching career in Kansas. To be eligible, a person must be (1) a past or present recipient of the Kansas Teacher of the Year award under the program administered by the Kansas Department of Education and (2) employed as a teacher in an educational institution accredited by the Kansas Department of Education.

TUITION FOR KANSAS MILITARY AND PUBLIC SAFETY OFFICER FAMILIES

The state board of regents shall authorize the following class of persons to pay an amount equal to resident fees: Any dependent or spouse of a person in military service who is reassigned from Kansas to another duty station so long as such dependent or spouse continues to reside in Kansas.

Kansas HB2154, effective July 1, 2015, provides in-state tuition rates to a current member of the armed forces or veteran of the United States military or the member's spouse or dependent-child who is enrolled as a postsecondary student. In-state tuition rates are provided regardless to the length of time the person has resided in the state if the person files a letter of intent to establish residence in the state, lives in the state while attending, and the person is eligible for postsecondary educational benefits.

Every Kansas educational institution shall provide for enrollment without charge of tuition or fees for: (1) Any dependent or spouse of a public safety officer who died as the result of injury sustained while performing duties as a public safety officer so long as such dependent or spouse is eligible; (2) any dependent or spouse of any resident of Kansas who died on or after September 11, 2001, while, and as a result of, serving in military service; and (3) any prisoner of war. Any such dependent or spouse and any prisoner of war shall be eligible for enrollment at a Kansas educational institution without charge of tuition or fees for not to exceed 10 semesters of undergraduate instruction, or the equivalent thereof, at all such institutions.

PITTSBURG STATE UNIVERSITY EMPLOYEE DEPENDENT TUITION WAIVER PROGRAM

The purpose of the Dependent Tuition Waiver Program is to provide an opportunity for dependent children of eligible employees to receive a partial or full tuition waiver at PSU while seeking an undergraduate degree. An eligible employee is an employee appointed to a benefits-eligible position at PSU with 12 continuous months, or one academic year for faculty, of service to PSU in a benefits-eligible position. For a dependent of an eligible employee to qualify the dependent must meet the eligibility requirements approved by the Kansas Board of Regents at the May 2006 meeting. The amount of tuition waived is determined based on the eligible employee's length of service. An employee's death does not preclude eligibility. Employee eligibility and percentage of tuition waiver is determined as of the date of the employee's death. The deceased employee's eligible dependent

must meet all other eligibility requirements. (REV. WF2015) Dependents of staff members of the Kansas Board of Regents are also eligible, subject to the same eligibility requirements.

KANSAS FOSTER CHILD EDUCATIONAL ASSISTANCE ACT

The purpose of this act is to establish an educational assistance program under which payment of tuition and required fees charged to eligible foster children shall be waived (see Senate Bill 85 or inquire at the Registrar's Office to determine eligibility). A tuition and required fee waiver would be provided for the undergraduate enrollment of an eligible foster child, through the semester or until attaining the age of 23, who enrolls in a Kansas educational institution on or after July 1, 2006.

To remain eligible for participation in the program, an eligible foster child shall remain in good standing at the Kansas educational institution where the eligible foster child is enrolled and shall make satisfactory progress toward completion of the requirements of the educational program in which they are enrolled. An eligible foster child shall not have waived the amount of tuition waived for any course repeated or taken in excess of the requirements for completion of the educational program in which they are enrolled. Each eligible foster child who is enrolled in a Kansas educational institution and who is participating in the program shall be responsible for all fees charged by the institution that are not directly related to and required for the courses in the educational program of the eligible foster child (SB 355 removed the expiration date on SB 85).
