How to Join

Submit an interest form

- Interested in joining a fraternity? [Submit your profile](#) to send your information to all of our fraternity chapters. Fraternity recruitment starts with showing your interest, do that here!
- This is not a commitment to join.

Reach out to chapters

- Fraternities use an informal mutual selection process to recruit members for their chapter. This process is 365 days a year and it allows students to really narrow down the fraternity they feel they fit best with. Chapters may host recruitment events such as barbecues, sporting events, and dinners either in Pittsburg or a place near your hometown. Interested in specific organizations? [Find them on Gorilla Engage and contact their recruitment director!](#)

Be extended and accept a bid

- A bid is a formal invitation to join a fraternity that may be extended physically (letter, email) or verbally (in person, over the phone).
- Throughout this year, recruitment directors will be extending invitations to join their fraternity. The chapter will provide a bid card with your name on it, ensuring your spot in their chapter.
- This is what binds you to their chapter and is an official document. Only accept a bid if you are confident in your choice of fraternity.

Submit your New Member Agreement Form

- Already accepted a bid from a fraternity chapter? Congratulations, let's make it official! Please complete this [New Member Agreement Form](#) as soon as possible, or within 48 hours of accepting your fraternity bid.
- This form is required for all fraternity new members.
