Student Health Services General Medical/
Surgical Services

Clinical services through PSU Health Services range from immediate medical care to physical exams, including women's/men's health services. Experienced health care professionals provide triage, evaluation, and treatment of a variety of medical conditions. Students with medically urgent problems are seen immediately.

Some of the available services include:

Outpatient Medical/Surgical Services

Diagnosis/treatment for common illnesses and injuries of university student's i.e., upper respiratory illness, minor orthopedic injuries, laceration repair and minor surgical procedures. While scheduled appointments are preferred for these services; walk-ins are welcome and seen on a first come first served basis.

Inpatient Hospitalization Services

In the event a student needs Inpatient hospitalization, our on-staff physician has privileges for admission and treatment at Via Christi Medical Center.

Physical Examinations

Complete physical examinations that are required for a school-related activity will be performed by appointment. (i.e., Athletics, Teaching and Travel Consults). Work-related and Academic Transfer physicals are also performed at the Health Center. Scheduled appointments are required. There is a fee for this service. **Physicals that are not canceled or rescheduled at least 2 hours in advance will be charged a no-show fee of \$10.**

Evaluation and Referral

The Student Health Center will provide assistance in obtaining outside referral of the medical or surgical condition is beyond the scope of diagnosis/treatment of the clinic. All expenses related to medical service of a referred provider are the responsibility of the student.
