Dropping a Course or Withdrawing for the Semester

Beginning the 12th week through the 16th week of full-term courses, individual courses cannot be dropped.

A student who does not officially withdraw from a course or from the university will be assigned an “F” grade in the course or courses concerned. These “F” grades will be included in the computation of the GPA.

The dates for dropping courses that run fewer than sixteen weeks are proportionate to the length of the course (e.g. the last day to drop an eight-week course would be the end of the sixth week). Consult your instructor or the Registrar’s Office for questions about a specific course. (Students enrolled in short courses may not be eligible for withdrawal from the semester if the drop date for the short course(s) has already passed.) For students who wish to withdraw from all classes after the 12th week of the term, the instructor must assign a grade of W or F.

To drop a course after the 5th day of class or for clarification on drop/add policies, contact the Registrar’s Office, 103 Russ Hall, 620-235-4200, or email registrar@pittstate.edu.

Important Information for Students Receiving Financial Assistance

Student aid is available each semester for students who qualify. Please contact the Office of Student Financial Assistance for any questions at 620-235-4240 or by email finaid@pittstate.edu.

The Office of Student Financial Assistance is required to recalculate financial aid eligibility for students who withdraw, stop attending, or are dismissed before completing 60 percent of a semester. This Return to Title IV calculation applies to students receiving the following Title IV funds, including:

- Federal Pell Grant
- Federal SEOG (supplemental grant)
- Federal TEACH Grant for education majors
- Federal Direct Loans
- Federal Parent PLUS Loans

Federal financial aid is returned to the federal government based on the percentage of unearned aid disbursed toward institutional charges for tuition, fees, on-campus room and board, and book voucher funding. Students may be required to repay a portion of the aid funds received.

When aid is returned, the student will owe a balance to the University and/or Department of Education Title IV Programs. Please contact Student Financial Aid if you are considering dropping hours during the semester to see how you will be affected.

Important Information for International Students

International students studying on F or J visas must be in proper immigration status and are required to always be in full-time enrollment (minimum 12 hours undergraduate or 9 hours graduate). For additional information, please visit the [International Students Admission webpage](#) at Pitt State.

Class Attendance Policy

Students at Pittsburg State University are expected to attend class regularly and participate fully in class activities. It is the responsibility of the course instructor to set the attendance policy for his or her courses and communicate that policy to students in the course syllabus. The syllabus should address whether and how attendance affects the course grade, the issue of excused absences, and unexcused absences.

Students who have not attended or who have been excessively absent will be recorded via the Navigate system. In limited circumstances, an instructor may recommend an administrative withdrawal of students who fail to attend any scheduled classes or who are excessively absent. After instructors record student absences through Navigate, they may recommend a student course withdrawal to their Academic Unit leader, who will then determine, in consultation with the Dean, if an Administrative Withdrawal request to the Registrar's Office is appropriate.

Regardless of the faculty prerogative to establish expectations for attendance or to determine grade consequences for excessive absences, the ultimate responsibility for monitoring and maintaining up-to-date course enrollment rests with the student.

Digital Accessibility

If students encounter any digital accessibility issues in their Canvas courses, they are encouraged to contact the instructor of the course.

Student Computer Recommendations

It is highly recommended that students have access to a computer to complete online and hybrid classes. While most tasks in Canvas can be completed on a mobile device, you need to have access to a computer for certain assignments or to use additional tools. For additional information, please review the [Pitt State Student Computer Recommendations flyer](#).

University-Sponsored Student Activities

Pittsburg State recognizes the transformational values of out-of-class activities. Whether initiated or sponsored by faculty or other University representatives, these activities add value to our programs, whether academic, cultural, professional or athletic. While ideally none of these University-sponsored or sanctioned activities would interfere with classroom attendance and participation, it is inevitable that at times conflicts will occur. For guidance in these situations, please view our [Policy on University-Sponsored Student Activities](#).

Inclement Weather Policy

If forecasts or weather conditions suggest that travel in the area could become hazardous, a policy is in place to determine if the campus will be closed. Please review the notification process in the [Severe Weather Emergency Plan](#) from Student Life and University Police. Notification methods typically include the PSU website, local news media, and text messaging for those who subscribe to this service.

If the University declares an inclement weather day, it is at the instructor's discretion to determine any shifts to coursework.

Public Health Advisory

Information about any health advisories can be found on the [Pitt State Bryant Student Health Center website](#).

Course delivery is subject to change at any time. Modifications made to course delivery will not result in any changes to tuition and fees and will not alter a student's residency when used in determining applicable tuition and fee rates.

Academic Integrity Policy

Academic dishonesty by a student is defined as an unethical activity associated with coursework or grades.

It includes, but is not limited to:

- a) Giving or receiving unauthorized aid on examinations.

- b) Giving or receiving unauthorized aid in the preparation of notebooks, themes, reports, papers, or any other assignments.
- c) Submitting the same work for more than one course without the instructor's permission, and
- d) Plagiarism. Plagiarism is defined as using the ideas or writings of another and claiming them as one's own. Copying any material directly (be it the work of other students, professors, or colleagues) or copying information from print or electronic sources (including the internet or any text/other content generated by AI programs) without explicitly acknowledging the true source of the material or without the instructor's permission is plagiarism. Plagiarism also includes paraphrasing other individuals' ideas or concepts without acknowledging their work, or contribution, and
- e) Unless otherwise stated by the instructor, exams, quizzes, and out-of-class assignments are meant to be individual, rather than group, work. Hence, copying from other students' quizzes or exams, as well as presenting as one's own work an assignment prepared wholly or in part by another, is in violation of academic honesty.

The above guidelines do not preclude group study for exams, sharing of sources for research projects, or students discussing their ideas with other members of the class, unless explicitly prohibited by the instructor.

Since the violation of academic honesty strikes at the heart of the education process, it is subject to the severest sanctions, up to and including receiving an "F" or "XF" (an "XF" indicates that "F" was the result of academic dishonesty) for the entire class and dismissal from the university. For a full copy of this policy, see [Article 30, Academic Misconduct](#).

Mid-Term Grades

After the eighth week of the fall and spring semester, mid-semester "D" and "F" grades submitted by faculty are reported by the Office of the Registrar to the dean of the college in which you are majoring. All "D" and "F" grades submitted by faculty will be reported by the Registrar to you and your academic advisor through the online student information system (GUS). No mid-semester report of "D" and "F" grades is distributed for the summer session.

Incomplete Grades

Incomplete grades may be assigned in rare instances when a student is unable to complete a course due to circumstances beyond his/her control. You must have completed most of the coursework to be eligible for this consideration. Unless granted an extension by the instructor, students have only one semester to complete the work.

If you feel like you qualify for an Incomplete grade, you should visit with your instructor and not assume an IN grade will be assigned automatically.

Credit for Prior Learning

Pittsburg State University accepts credit for AP, CLEP, IB exams, and others. Learn more about [credit for prior learning](#) on the Registrar's website. Additional details are also available in the university catalog under Academic Regulations.

Final Grade Reports

Final grades are reported to the Registrar's Office at the conclusion of the course. You may access your grades in GUS Classic immediately upon grade posting.

Grade Appeals

Final course grades are to be awarded upon criteria communicated to the student at the beginning of the semester. Additional work after a final grade was submitted cannot be used to change the grade.

If you believe that an error has been made in the assignment or recording of a final grade, you should first confer with the instructor. If such a conference does not resolve the problem, a grade appeal form must be submitted to the head of the academic department that offers the course in question. This appeal form must be submitted no later than six weeks after the beginning of the fall or spring semester immediately following the semester in which the grade being appealed was received.

The appeal form is available online on the Registrar's Office and the Graduate School's webpages.

Dead Week Policy

No tests or major assignment(s), worth 10% or more of the final grade, shall be presented, assigned, given, or be made due during the week prior to final examination week, unless identified in the course syllabus presented at the start of the semester.

Final Exam Schedule

Final examinations will be given according to the [schedule of examinations](#).

Final Exam Overload Policy

If you have three or more final exams officially scheduled for a single day, you are entitled to arrange with the faculty member instructing the highest numbered course (the 3-digit number following the department code) a different day for the exam. If two courses have the same number, the course with the lower enrollment would be rescheduled.

Students requesting accommodation should submit an [overload request form](#) along with a copy of their class schedule at least two weeks prior to the beginning of final exam week. The faculty member has until Monday of pre-finals week to arrange a mutually convenient time for administration of the final exam. If the matter cannot be resolved between the student and faculty member, you may take the request to the Office of the Provost, 220 Russ Hall, no later than the Wednesday of dead week.

Weapons and Concealed Carry Policy

Pittsburg State maintains a [Concealed Carry Weapons Policy](#).

The handgun must be in the person's custody and control at all times with the safety mechanism engaged. Handguns must be carried securely in a suitable carrier (backpack, purse, handbag, or other personal carrier designed and intended for the carrying of an individual's personal items). The suitable carrier must at all times remain within the exclusive and uninterrupted control of the individual. This

includes wearing the carrier with one or more straps consistent with the carrier's design, carrying or holding the carrier, or setting the carrier next to or within the immediate reach of the individual.

Where to Go for Assistance

Pittsburg State administration, faculty, and staff are here to assist you in your academic success. If you have questions or concerns that affect your academic success, it is important that we hear from you.

Your Instructor

Faculty members usually include their office hours and contact information in the class syllabus. If not, set a time to meet with your instructor by speaking with him/her prior to or immediately following your class session or check with the departmental office for instructor availability.

Writing Assistance

The Writing Center offers free writing consultations for students at any stage of the writing process for any writing project. Writing Center consultants are experienced writers who are committed to helping you achieve your writing goals.
